Each game is scheduled in a 1-hour time block. There will be two 18-minute halves with a running clock. The only time the clock stops is for THE FIRST FREE THROW (It will start on the second) and the last two minutes of each half. There will be NO shot clock. If a team is trailing and is trying to foul to get the ball back, two fouls under 2-minutes of play will put the opposing team in the bonus for two foul shots. Each team will have two timeouts per half and timeouts DO NOT carry over. If the game goes to overtime, we will play a 2-minute period and each team will have one timeout.
