

WSCC Academy

Join us for a day of **free** professional development for district wellness teams!

Our 2025 WSCC Academy will support efforts to strengthen the school health environment based on the Connecticut triennial assessment.

Two Tracks to Support Your Team's Needs!

Track A: Finalizing Triennial Wellness Assessments

Designed for teams who have started their LSWP triennial assessment and want support generating their results.

Teams in Track A must complete Step 1 and Step 2 of the triennial assessment in advance of the Academy.

Track B: High-Quality Wellness Action Planning

Designed for teams who have completed their LWSP triennial assessment and want support creating high-quality action plans.

Teams in Track B must complete Steps 1-4 of the triennial assessment in advance of the Academy.

Coffee and **FREE** working lunch provided.

Registration now open!

See our [website](#) for more information, including guidance on selecting the right Track for your team.
