[Register for Virtual Book Study Here](#) by April 26th | Tuesdays! **May 2nd – May 23rd** @ 3:45 – 4:40pm

FranklinCovey Education is hosting a complimentary 4-Week, “**The 4 Disciplines of Execution for Educators**” Book Study for school and district leaders. Join us! Each week will focus on 1 of the 4 disciplines.

May 2nd: Focus on the **Wildly Important**,

May 9th: Act on **Lead Measures**,

May 16th: Keep a Compelling **Scoreboard**

May 23rd: Create a Cadence of **Accountability**.

Leave with **actionable takeaways** and inspired to adopt & implement these tools **immediately**. Schools and Districts across the country are seeing breakthrough results using the below 4 Disciplines of Execution framework.

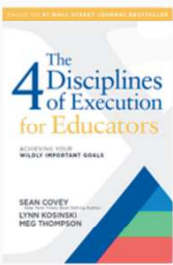

- Move teams from **constant competing priorities** to cascading vision into **actionable behaviors**
- Not **just closing the achievement gap** but lead students to **own their personal and academic process** to gain groundbreaking results.
- Discover the systems and structures that **align the most important initiatives**; focus on what’s MOST important for each and every student **to get the results** they need & desire.
