Leadership and Advocacy Conference

Fifth Annual Statewide Meeting Health and Physical Education Coordinators Friday, March 28, 2014, 8:00AM – 3:30PM

Join health and physical education leaders from across the state to develop and share strategies to promote learning and academic success in times of change. Experience an informative and motivating day of leadership development at Aetna. This year's program will include innovative approaches to building community relationships and renewing focus on school wellness polices. Participants will:

- Receive information about State Department of Education Updates, Initiatives & Resources
- Learn about a Connecticut Town's Success Story
- Have access to a wealth of school health and physical education resources and exhibitors
- Interact with colleagues from your region and across the state to share common concerns and strategies

Don't miss this year's round table topics including:

- Aligning Common Core in Health and Physical Education
- Teacher Supervision and Evaluation
- Administrators Supervision and Evaluation
- Legal Issues in Physical Education
