

January 22, 2017

Greetings from the **Association for Middle Level Education**, an organization devoted solely to middle level educators and students! AMLE invites you to join over 45,000 educators from around the world to share pertinent professional development opportunities to help our young adolescents succeed in our ever-changing world! You will receive practical information for immediate use in your classroom and school, proven research on meeting the unique needs of students ages 10 to 15, and access to a network of like-minded educators! You will receive magazines and journals filled with the latest instructional strategies, discussions on current educational topics, and great deals on professional resources and events. Membership options and benefits are listed at www.ample.org/membership. Plus, you may send in the email addresses of the entire staff so they can have access to all of the wonderful professional development opportunities at no extra charge! **You are able to register your ENTIRE staff for \$199.99 for the entire year!**

Another great way to provide outstanding professional development is to hold a **book study** on **This We Believe**, a book describing the needs of the middle level student. Books may be purchased online with AMLE. Having a discussion about the needs of the middle level student brings your staff together, rejuvenates, and drives the instructional strategies.

I invite you to send representatives to our **2017 Annual Conference for Middle Level Education in Philadelphia, PA, on November 6-8, 2017**. You and your staff will have access to over **400 sessions in 60 topic areas!** You can borrow ideas and tools from leading middle level experts, and you can grow your PLN with like-minded educators from around the world. Please go to ample.org/annual to learn more about the many opportunities available during this outstanding conference!

With all of the interest and excitement around the idea of helping promote AMLE's programs and events, AMLE has set up a **promotional code for YOU!** That is good for 10% off everything the association offers, including all membership levels, books, and events. **Please enter the code ES10 to SAVE 10% on all of your AMLE orders.** This code can be used multiple times and is active through December 31, 2017. Now that is exciting!

Please consider joining today along with so many other middle level educators who enjoy all that AMLE has to offer from publications to leadership institutes to cutting edge research! **Thank you for your important work with the middle level!** If you have any questions, don't hesitate to contact me at erinrachle410@gmail.com.

Sincerely,

Erin Scholes
