### Innovative Practices: Implementing Lessons Learned from the Pandemic

As the 2021-2022 school year begins, we look back and continue to move forward. This Administrator Responsive Support Session will provide an opportunity to reflect on the start of the school year and provide administrators a chance to connect with colleagues, share early successes and continued challenges. Participants will have the opportunity to network with other administrators who are problem solving around common issues.

All Administrator Responsive Support Sessions will be held virtually.
