

MEDIA CREDENTIALS

Application Form 2023-2024

- Complete the form below to apply for a one-year CIAC media credential.
- Include a clear, high resolution headshot that will be used on the badge. Ensure the photo doesn't include any other people, hats, masks, or anything that obscures your face.
- Badges are typically sent out within 7 days and mailed via the USPS.
- If you prefer to pick the badge up at our office in Cheshire, please let us know in your email.
- Type or handwrite clearly.

We do not allow holders of these media badges to produce/promote any videos featuring CIAC student-athletes that contain music/narration with explicit lyrics or images.

This pass is for admission to CIAC regular season games and state tournament events (at the discretion of the host school and athletic director), with the exception of state finals in football, hockey and basketball. Media should contact the venue's site director in advance in order to secure work space at a press box/table.

Please submit your completed request form via mail or email to:

John Holt, CIAC Media Director
