CONNECTICUT INTERSCHOLASTIC ATHLETIC CONFERENCE
2026 BOYS / GIRLS SOCCER INFORMATION
ALERT

1. Qualifying will still be determined by winning percentage. Any boys team with a winning percentage of .400 or greater, and any girls team with a winning percentage of .350 or greater, will qualify for the tournament. Then teams will be seeded by their power ranking, computed by combining their league's multiplier (based on results against nonleague opponents, including tournament games, over the past three (3) years and the current season) with the team strength (based on results during the current regular season).
2. **All coaches must be aware of changes to the cumulative card rule as well as the disqualification rule (see Appendix B).** It is strongly recommended to make sure someone, preferably an adult, is at the scorer's table for all varsity games.
3. **All schools must keep accurate records during a game and confirm all cards with officials and the opponent before leaving the field. DO NOT LEAVE THE GAME SITE UNTIL YOU HAVE THE CARD INFORMATION.**
4. **Remember that you are required to fill out this form online at the conclusion of each game (including those with zero penalties). You are also required to report all Tier 1 cards issued in regular season, league tournament, and CIAC tournament games.**
5. **The Boys and Girls Soccer Committee voted to apply a success in tournament factor when placing schools* that draw students from outside their school district boundaries in tournament divisions.** The committee will first place schools in their divisions by enrollment and then use success in tournament to move schools and then rebalance the divisions. Schools of choice will receive points for each level of success in the state tournament over the past three years. These points will be added together and applied to an approved scale to determine division movement.

- A team reaching the semi-finals receives 3 points.
- A team reaching the championship game receives 5 points.
- A team winning a state championship receives 8 points.

4 points – 10 points – Move up one division
11 points – 20 points – Move up two divisions
21 points – 24 points – Move up three divisions

Each year, the committee will review results from the past three years and adjust as appropriate. Schools can move up or down depending on their success in tournament play.

* Charter, magnet, parochial, vocational technical, and Project Choice schools that have more than 25 male or female students from out-of-district.

6. **If a tie exists at the end of regulation in all tournament games, including the championship games, two ten-minute overtime periods will be used. After the first overtime period, a second ten-minute overtime period will be held after which penalty kicks will be used. There will be no "sudden victory" used in the overtime period.**
7. ***The clock shall be stopped when a substitute by the team in the lead is beckoned onto the field in the final five minutes of the second period and the final five minutes of the second overtime.***
8. The Boys/Girls Soccer Committee strongly recommends that member schools demonstrate good sportsmanship in games where the scoring margin becomes excessive.

9. **Individual yellow cards will be set to zero (0) at the start of the CIAC tournament. An athlete or coach who receives their second Tier 1 yellow card during the tournament is disqualified and must sit out the next game. After sitting out for this infraction, players/coaches will have to sit out an additional game for every subsequent Tier 1 yellow card received.**
10. **Individual cards will reset for league tournaments. Cards for league tournaments must still be reported to the CIAC. If you collect two Tier 1 yellow cards in a league tournament you must sit in the next league tournament game.**
11. **Officials will report all Tier 1 cards online to CIAC after each game.** Each school is responsible for recording all Tier 1 penalty cards in their respective scorebooks for every game and for **reporting all Tier 1 cards when posting their scores online.**
12. **SCORES OF TOURNAMENT GAMES AND CARDS MUST BE REPORTED ONLINE IMMEDIATELY AT THE END OF THE GAME. TEAMS SHOULD ALSO CONTACT THE TOURNAMENT DIRECTOR BY PHONE TO REPORT THE FINAL SCORE.**
13. **Games scheduled for Friday may be played on Saturday, as needed, and determined by the host school.**
14. **Trainers** – Schools must provide their own trainer at all CIAC semi-final and championship final contests.
15. **Member schools must make every effort to complete their season as scheduled, including make-up games. Any effort to gain an advantage in tournament play by not playing a game is unacceptable and is subject to action by the CIAC Board of Control. Cancellation of any regular season contest/make-up to play in a league tournament will not be allowed.**
16. **Postponements** – If there is a weather-related postponement in rounds one or two of the tournament the school will be required to play the next day.
17. **Scrimmages** – Teams must have a minimum of three (3) days of practice prior to scheduling a full team scrimmage. All sports teams and individual athletes must have a minimum of ten (10) physical/exertional practice days with their school before the date of the first scheduled competition. No team/athlete shall practice/compete with their school more than six (6) consecutive days to provide a day of rest. Saturdays, Sundays, and holidays may be used unless prohibited by local board policy. Sunday practices may be counted to fulfill the 10-day requirement.
18. **Students with Special Needs - Coaches are reminded to inform contest officials prior to each competition of any student with special needs who could be competing in the contest when his/her disability could impact the individual's performance or the conduct of the competition.**
19. **CIAC Tournament Site Media Policy** – The CIAC places tremendous value on the role the media plays in promoting and highlighting high school sports. To that purpose CIAC tournament venues and hosts should make every effort to provide a working environment conducive to all media (print, broadcast and internet based) covering our events. The following are minimum standards, developed in consultation with the CIAC Media Advisory Committee, which should be provided for working media at all CIAC tournament sites.
 - 1) A minimum of one hour following the conclusion of post-game interviews to write in the press box, press area or a suitable facility in close proximity to the site of the event (i.e. office, classroom, etc.).
 - 2) Access to electric power (shared power strip, etc.).
 - 3) Access to wireless internet service.

Site directors should communicate these requirements to any staff person who may be responsible for the administration of the event. If for some reason a site will not be able to provide these items for a contest, a site representative should inform the CIAC in advance and work with the media on site before the game and work to

provide a reasonable solution to the issue. Members of the media who will be covering events are directed to contact the appropriate site as far in advance as possible to inform them they will be at the event and discuss what arrangements will be made for working media at the site.

20. **Unmanned Aerial Systems at CIAC-Sanctioned Events** – The use of unmanned aerial systems, often referred to as drones, are prohibited for any purpose by any person(s) at all CIAC-sanctioned events. This policy includes not only the restricted playing area of the venue(s), but also the physical confines of the entire stadium / field / arena structure. For the purpose of this policy, an unmanned aerial system is any aircraft without a human pilot on board.

NFHS SOCCER RULE CHANGES 2026-27

4-4-1c – Clarifies that dark socks must be worn by the home team.

Rationale: The two teams must wear colors that distinguish them from each other. The addition of the word dark in the home team sock clarifies that only the visiting team may wear white socks.

4-2-7d, e (New) – Offers guidance on appropriate tooth and mouth protector elements.

Rationale: The overall purpose and function of the tooth and mouth protector is to protect the teeth, the mouth, and lips if it has a lip guard. Items that are added or included on the tooth and mouth protector that do not serve a purpose or function in the protection of the teeth or mouth should not be allowed. Also, items that are a part of the tooth and mouth protector that are a health risk to the individual wearing it should not be allowed.

4-2-11a thru c NOTE 2 (New) – Prohibits players from wearing audio or video devices while participating in a match.

Rationale: No athlete participating in a match is permitted to wear any type of audio or video device to record, transmit, or live stream. This language aligns with other NFHS rules books. The use of electronic communication devices with players on the field is still prohibited. State associations may further restrict electronic devices.

5-3-1f-j – Change updates the officiating procedures for issuing yellow and red cards by removing the term carded in favor of consistent terminology already used in the rules book; cautioned and ejected.

Rationale: This aligns terminology by removing the term “carded” and using language found within the rules book. Explicitly defining that cautions correspond to yellow cards and ejections correspond to red cards provide clarity. Repeated or redundant language has been reorganized into new sub articles to improve readability and consistency across the rule. Additionally, the revision clarifies that any player who is shown a card, yellow or red, must still leave the field of play and that officials are responsible for directing the player to do so.

8-1-2 – Clarifies when a kickoff should be retaken, specifically when not all players are on their half of the field.

Rationale: This change provides clarity on the differing restarts regarding kickoff offenses. This change explicitly addresses situations when the kickoff should be retaken because players were not properly positioned on their half of the field.

12-1-2c – Emphasizes the importance of goalkeeper safety when in possession of the ball and improves clarity for consistent officiating purposes.

Rationale: Overall, this change aligns the rule with consistent officiating practice, removes redundancies and improves clarity without materially altering when a charge is or is not permitted. The change consolidates language referring to the goalkeeper controlling the ball with their hands, where the simplified language refers to the full, shared definition referenced in a later section. This change emphasizes the core safety concept that remains unchanged: the goalkeeper in possession of the ball with their hands cannot be charged or challenged.

12-2-3 – Adds biting to direct free kick fouls.

Rationale: Incorporates biting into direct free kick fouls.

12-3-1 thru 3 – Extends goalkeeper possession limit and adjusts the penalty when the time limit is exceeded.

Rationale: Reorganizes goalkeeper restrictions, extends goalkeeper possession limit from six to eight seconds and changes the penalty from indirect free kick at the point of infraction to a corner kick. It brings the rule in line with the spirit of the game and gives officials clearer authority and makes the punishment less severe when the goalkeeper clearly exceeds the time limit.

12-3-5 – Clarifies considerations of dangerous play.

Rationale: Adds clarifying language to the considerations for dangerous play that include actions that prevent a nearby opponent from playing the ball for fear of injury.

12-3-6 & 7 (New) – Offers flexibility for officials when addressing verbal offenses by categorizing them as indirect free kick fouls.

Rationale: By including “other verbal offenses” as an indirect free kick foul, this also gives more flexibility for officials when disciplining verbal offenses: they are now considered fouls at a minimum and may rise to the level of misconduct depending on the circumstances. New Article 7 then addresses any other reason for which play is stopped for misconduct; play is restarted with an indirect free kick.

12-6-1b (1-4) (New) – Adds language to provide additional guidance regarding DOGSO.

Rationale: This change clarifies and simplifies the language surrounding DOGSO ejections by removing redundant wording, eliminating references to “attempted” DOGSO, since intent is not part of the decision, and aligns with previous rule wording within Rule 12. The updated structure provides four clear categories for denying a goal or obvious opportunity.

13-1 thru 3 – Reorganizes free kick restart procedures into distinct categories, clarifying when, where, and how free kicks are awarded and taken, while incorporating guidance for situations involving outside agents, off-field offenses, thrown objects, and unauthorized field entry or exit.

Rationale: The revision of Rule 13 clarifies the procedures for restarts on free kicks by breaking the rule into distinct categories, outlining when and where free kicks are awarded, and detailing how they should be taken. It also specifies the correct restart locations and provides guidance for officials on managing these situations. Additionally, the update incorporates restart procedures for scenarios involving outside agents, offenses occurring off the field, thrown objects, individuals entering the field illegally, players leaving the field without permission, and offenses that occur outside the field of play.

Rule 14 – Encroachment is now penalized only when it clearly impacts the kick outcome, and goalkeepers receive a warning for a first offense rather than an immediate caution. Deceptive movements and stutter-stepping remain permitted during the run-up, but feinting after the approach is completed is prohibited.

Rationale: The rewrite ensures that encroachment is now only penalized if the offense has a clear impact on the penalty kick. Goalkeepers will now receive a warning for a first offense rather than an immediate caution, acknowledging that such infractions often stem from mis-anticipation. Regarding the kicker, the revisions continue to allow for deceptive movements and stutter-stepping during the run-up; however, the change strictly prohibits feinting once the approach to the ball is completed. Finally, in rare instances where both the kicker and goalkeeper offend simultaneously, the kicker is penalized, as their illegal feinting is typically the catalyst for the goalkeeper’s infraction. The penalty chart is also updated and reformatted for clarity.

From semi-final and championship games, the tournament director has the authority to schedule night games, Consent from the participating schools is not required.

Distance cannot be a factor in assigning sites for semi-final and final round games. The committee cites the difficulty in obtaining sites, staff, and numerous other factors in making assignments in order to provide the best neutral field possible.

Tournament games will be played with two equal halves of 40 minutes duration for a total of 80 minutes of regular play.

- 1.5 In the event of inclement weather, the site director has the authority to postpone the game. The site director must immediately notify the tournament director. - 1.6 All first round, second round and quarter-final games will be played on the field of the higher ranked team based on the ORIGINAL PERCENTAGE RANKINGS. The host school shall provide a site director, who should be someone other than the coach, and game supervisors.

The higher ranked team will be responsible for providing an athletic trainer and securing officials up through the quarter-finals. CIAC pays for officials from the quarter-finals on.

- 1.7 The tournament director will determine the sites and times for all semi-finals and finals. Night games may be scheduled. The tournament director will designate the site director.
- 1.8 CIAC highly recommends that all soccer fields used for the tournament be 65 yards wide by 110 yards long. The minimum requirement is 60 yards wide by 110 yards long. Fields that do not meet the minimum requirement cannot be used and the game must be moved to an approved site.

2.0 **DIVISIONS**

5.1 **Ties**

- a. In all tournament games, the following shall be the procedure to resolve a tie score. After a five-minute time out:
 - 1) Two ten-minute overtime periods shall be played.
 - 2) After the first overtime, the teams will change direction without a time out. A second ten-minute overtime period shall be played.
 - 3) If tied after two ten-minute overtime periods, penalty kicks will be used to determine the winner.
 - 4) There is no sudden victory – both ten-minute overtime periods must be played to completion.
 - 5) First Round Penalty Kicks – Five players from each team kick once alternately or until the lead is insurmountable. Any eligible player on the tournament roster may be included, they do not have to be on the field at the end of the game.
 - 6) Second Penalty Kicks – Five different players from each team kick once alternately or until the lead is insurmountable.
 - 7) If a tie remains, repeat step 5 and if needed step 6 until a winner is declared.
- b. After each set of ten kickers from each team, players may be repeated. **Penalty cards shall carry over into overtime periods.**
- c. There will be no sudden victory during any penalty kick rounds.

5.2 **The tournament soccer ball for the 2026 tournament will be the SPALDING TF-5000 or the TF-5000 PRO. This ball shall be used for all tournament games, including first and second round games. The higher ranked team shall provide at least three (3) official tournament balls for all games.** Officials must report to CIAC any school hosting a game who does not use the CIAC designated ball. The CIAC Board of Control will take appropriate action with the school.

5.3 **HIGHER RANKED TEAM MUST WEAR DARK JERSEYS (HOME UNIFORM). THE LOWER RANKED TEAM SHALL WEAR WHITE JERSEYS.**

5.4 The Site Director must provide a minimum of two “ball persons” for each tournament game through the quarter-finals. **Site directors should not allow spectators to stand behind the goals. Both teams participating are responsible for two (2) “ball persons” each for semi-final and championship games.**

5.5 In all cases where a toss of coin may be required, the higher ranked team will have the privilege of call on the coin.

- 5.6 **Suspended Games** – Regular season games if suspended in the first half, must be restarted from the beginning with the score 0-0. If suspended after one full half of play the game will be declared an official game.
- 5.7 In CIAC tournament play a game suspended either in the first half or the second half will be rescheduled, and play will continue from the point of suspension with the score the same as when the game was suspended.
- 5.8 **Terminated Games** – Definition – “When a game has been ended by the referee for actions of the participants or spectators such as refusal to play or disorder.”

In such cases, the status of the game during the regular season may include forfeiture and is resolved by proper authority – the principals of the two schools, league rules and procedures.

During the CIAC tournament the Executive Director or his/her designee will determine the status of any terminated game along with the chair of the committee and the tournament director(s).

- 5.9 SEE APPENDIX C for the regulation and penalties for yellow cards.

CIAC Soccer Committee requires all schools post their Tier 1 card infractions after each game. Schools must continue to report all Tier 1 cards issued during the league championship and the CIAC tournament when they post their scores.

6.0 **RANKING / SEEDING**

- 6.1 a. Qualifying will still be determined by winning percentage. Any boys team with a winning percentage of .400 or greater, and any girls team with a winning percentage of .350 or greater, will qualify for the tournament. Then, teams will be seeded by their power ranking, computed by combining their league’s multiplier (based on results against nonleague opponents, including tournament games, over the past three (3) years and the current season) with the team strength (based on results during the current regular season).
- b. When ties in power ranking exist, they will be broken in the following manner:
- 1) Head-to-head competition (only if exactly two teams are tied).
 - 2) Winning percentage during the current regular season.
 - 3) Point ranking, based on three points for each win and one point for each tie. Unlike the winning percentage, where teams with different numbers of wins can have the same percentage, this ensures that the team in the tie with the most wins will be ranked higher.
 - 4) If, after using point ranking, exactly two teams are still tied and they met head-to-head, then head-to-head will be used at this point.
 - 5) The totals of the point rankings from step #3 for each opponent defeated and half of the point rankings from step #3 for each opponent tied. If an opponent was beaten or tied twice, then the appropriate number will be used twice in determining the total.
 - 6) Total number of Tier 1 cards received by the team (lower number would earn he higher seed).
 - 7) Computer generated random tiebreaker number located on CIAC website.
- 6.2 A TEAM MAINTAINS ITS INITIAL PERCENTAGE RANKING THROUGHOUT THE TOURNAMENT.

6.3 Order of play if more than 32 teams qualify for the tournament in any division.

If 33 teams	If 34 teams	If 35 teams	If 36 teams
32 vs 33	32 vs 33	32 vs 33	32 vs 33
	31 vs 34	31 vs 34	31 vs 34
		30 vs 35	30 vs 35
			29 vs 36

6.4 In case there are not thirty-two (32) teams that qualify, byes will be awarded to the appropriate number of higher ranked teams.

The record of the official scorekeeper at the conclusion of the contest is final unless an error is discovered. Such error shall be corrected as covered by specific contest rules.

Any team leaving the contest area before the conclusion of the contest because of dissatisfaction with the officiating will render the school liable to disciplinary action by the conference.

9.2 On the eve of a tournament when there is not sufficient time for normal administrative procedures and Board of Control hearings, if a question of interpretation of tournament regulations or the operation of the tournament arises, the Chairman of the CIAC Board of Control, the Executive Director of CIAC, and the Chairman of the Tournament Committee in question will make an appropriate ad hoc decision in consideration of the best interest of the tournament as a whole.

10.0 **SPORTSMANSHIP**

When asked to remove a sign, banner, or flag, participating schools will respect and follow the direction of any CIAC tournament/site director, tournament staff, or security personnel.

APPENDIX B
YELLOW CARD RULE

1. A player who is issued a caution (yellow card) shall leave the field and may be replaced. Should the team with the cautioned player elect to play shorthanded, the cautioned player may not re-enter, nor be replaced until the next legal substitution. **Any player or coach* who is issued a second caution (yellow card) in the same game will be ejected and required to sit out the next game.** It shall be reported as one yellow card and one red card and shall count as one or two cumulative Tier 1 yellow cards (depending on the infraction for the yellow cards) for that player or coach, and team. Substitutions will not be allowed under NFHS rules on an ejection for two yellow cards.

*Two game disqualification for a coach.

- 2.a. A player or coach is ineligible to participate in any soccer contest until withheld from the next soccer contest at that level of play when the player or coach has been issued a second (**cumulative**) Tier 1 card during the regular season. **The rule also becomes operative for the same player or coach for every subsequent Tier 1 yellow card throughout the regular season.** The game in which the second Tier 1 yellow card is given determines the level of play. A player or coach receiving a card in a sub-varsity game and a card in a varsity game has accumulated two for the regular season. **Any player or coach* who receives a second cumulative Tier 1 yellow card will be required to sit out the next CIAC contest at that level of play. The player or coach may not participate in a game at any level until he/she has sat out the required game at the appropriate level of play.**

*Two-game disqualification for a coach does not apply.

- b. In the event a player or coach receives their second, or subsequent Tier 1 yellow card during the last scheduled regular season game, the player/coach shall be disqualified from participating in the next CIAC contest (including League or CIAC tournament game).

Note: Any player who is issued their second Tier 1 (cumulative) yellow card and a red card in the same game will be disqualified for the next two games and is ineligible to play until the next two games at that level of play have occurred. Any coach who is issued their second Tier 1 (cumulative) yellow card and a red card in the same game will be disqualified for the next three games and is ineligible to play until the next two games at that level of play have occurred. A player/coach receiving a combination yellow card/red card in a game has been issued one yellow card for that game as well as a red card. The issuance of a straight red card does not count as one yellow card.

3. The issuance of each yellow and red card must be immediately recorded and confirmed with the official when the incident occurs. Each member school must report to the CIAC all Tier 1 card penalties on the CIAC Penalty Report Form after each game. Failure to do so may lead to a team's disqualification from post-season play. Coaches/athletic directors are required to record all post-season Tier 1 cards (league and CIAC tournaments) for the determination of the total team cards during the season.
4. A player rendered ineligible through a disqualification will be determined to be an ineligible player according to CIAC eligibility regulations. The use of an ineligible player will lead to a game forfeiture.
5. If a player receives a yellow card at the end of OT and prior to PK, the athlete will be able to return to continue play at the discretion of the coach.
6. If a player receives a second yellow, now a red, or a red card at the end of OT and prior to or during PK, the athlete will not be permitted to continue play, the player will be ejected from the game.
7. League Tournaments – Individual cards will reset for league tournaments. Tier 1 cards for the league tournament must be reported to the CIAC. An athlete or coach who earns his/her second Tier 1 yellow card must sit out the next game.

8. **Individual yellow cards will be set to zero (0) at the start of the CIAC tournament. A player or coach who receives their second Tier 1 yellow card during the tournament must sit out the next game. The rule also becomes operative for the same player or coach for every subsequent Tier 1 yellow card throughout the CIAC tournament.**

APPENDIX E
**THE CIAC BOARD OF CONTROL HAS ADOPTED THE FOLLOWING PLAYER / COACH
EJECTION / DISQUALIFICATION POLICY.**

The CIAC establishes guidelines and tone for acceptable and appropriate behavior at all CIAC contests, including league tournaments and playoffs. Given this charge, it is CIAC's responsibility to be proactive and responsive to the growing issues of sportsmanship and violence in sports. A strong consistent statement reflecting zero tolerance for violence in sports must become standard operating procedure for all schools. This is to be considered a minimum standard.

The CIAC Disqualification/Ejection Rule is in effect for all CIAC contests, including league playoffs and tournaments that engage officials who have been assigned by Board commissioners from CIAC registered officials organizations, or directly by the school or by the CIAC.

There is NO appeal procedure that a school may use relative to disqualifications. Disqualification is a judgment call by an official and as such is not appealable. Until the official(s) leaves the site the game official(s) is in charge and may take any action deemed to be appropriate, even to the extent of reversing an earlier decision to eject a player or coach. Whenever possible, both schools (coaches on site) must be made fully aware of all final decisions on game disqualifications. **Once the game official(s) leaves the site of the contest all decisions on game disqualifications are final.**

The following policies for disqualification by an official shall apply in all sports.

1. Any student-athlete who physically assaults an official, coach, opposing player or spectator or any other person in attendance at any event may be deemed immediately ineligible for the remainder of the season.
2. When an athlete is ejected from any CIAC contest the athlete is ineligible to participate in the next contest at the same level of play (even if the next contest does not occur until league or CIAC tournament play or next year). If one or more different level contests are scheduled prior to the next contest at the same level of play, the athlete shall be ineligible to participate in the next (but no more than one) contest at each level of play. **The ejected coach or player cannot be in attendance at the game(s) for which he/she is serving their suspension.**
3. When a player is ejected from a contest he/she can remain on the bench or sidelines as long as their presence does not interfere with the contest in any way. Never should an athlete be sent away from the site without adult supervision. Coaches are responsible for the care and safety of students and should not be placed in a position that does not allow them to provide reasonable care and supervision.
4. When a coach is ejected from any CIAC contest, the coach is ineligible to participate in the next two contests at the same level of play (even if the next two contests do not occur until league or CIAC tournament play or next year). (SEE CIAC HANDBOOK FOR ADDITIONAL CONSEQUENCES FOR A COACH WHO HAS BEEN DISQUALIFIED.) If one or more different level contests are scheduled prior to the next two contests at the same level of play, the coach shall be ineligible to participate in the next two contests at each level of play. The ejected coach cannot be in attendance at the games for which he/she is serving their suspension.
5. When a member school's coach is ejected from a game for an infraction as prescribed by the rules, the game may not continue until the member school replaces the ejected coach with a certified coach. The coach must leave the premises. If this cannot be accomplished within fifteen (15) minutes after the ejection, the official in charge will declare a forfeit win for the opposing team.
6. Upon receiving a second disqualification for initiating a fight or retaliating in a fight (as determined by the game official), that student-athlete will be declared ineligible for the remainder of the season.

7. The school's first incident of non-compliance, for reasons other than defiance of the disqualification rules, will result in forfeiture, a \$250 fine and the athlete or coach must serve the disqualification penalty; a school's second incident of non-compliance will prohibit the school from entry in the next CIAC tournament for that sport or from the remainder of the current tournament if the disqualification occurs during a CIAC tournament or during the last regular season contest/day of competition. However, when a school willfully defies CIAC disqualification rules and regulations the school and/or coach will be subject to further action by the CIAC Board of Control.
8. **Any CIAC varsity team that accumulates five (5) or more disqualifications during the regular season, including the league's tournament will be barred from CIAC post-season competition.** All disqualifications must be reported to CIAC by the school and the officials group. Any misconduct or disqualification of a coach will count towards the team's total number of disqualifications. Multiple disqualifications during CIAC tournaments are subject to disciplinary action by the CIAC sports committee and the CIAC Board of Control.

Note: Please see the ice hockey and soccer sports packets for additional penalty regulations specific to these sports.

9. Disqualifications from the last contest of one season carry over to the next season in that sport for undergraduates and coaches, or the next season of participation in any sport for seniors.
10. If the CIAC or National Federation playing rules for a sport specify an additional penalty, the additional penalty will apply. The CIAC disqualification rule applies to all game or meet disqualifications with the exception of reaching the limit of personal fouls in basketball and lacrosse; reaching the limit of technical violations in wrestling; or being disqualified by the rules in ice hockey and lacrosse, which does not require a next game disqualification. This rule does not apply to individual event disqualifications such as in swimming or track and field.
11. Each game official will notify their assigner for that game who will notify the CIAC office via the online disqualification notification system. The athletic director or principal of the school having the disqualified player/coach must notify their next opponent. **The school is responsible to implement all CIAC disqualification rules even if the official does not report disqualification in a timely manner.**

- **Definition of ASSAULT** – An assault is defined as an attack which attempts to injure one physically.
- **Definition of TAUNTING** – Taunting includes but is not limited to any actions or comments by coaches or players which are intended to bait, anger, embarrass, ridicule, or demean other players, coaches, or game officials. Included in this is conduct that berates, needles, intimidates or threatens based on gender, ethnic origin or background and conduct that attacks religious beliefs, size, economic status, speech, family, special needs, or personal matters. Examples of taunting that would lead to ejection include, but are not limited to, physical and verbal intimidation outside the spirit of the game (“trash talk”), reference to sexual orientation, “in-the-face confrontation” by one player to another, standing over, straddling a tackled or fallen player, etc.
- **PENALTY** – In all sports, game officials are to consider taunting a flagrant, unsportsmanlike foul that disqualifies the offending bench personnel or athlete from that contest/day of competition and the player or coach from the following contest/day of competition, i.e., the CIAC player/coach ejection rule will be invoked. A warning may be given but is not required before ejection.

In soccer, an accumulation of two yellow cards in one game against the coaching personnel or team bench will constitute a red card against the head coach and all disqualification rules will apply. (Refer to soccer red card rules and the soccer tournament document.)
