The Ultimate Battle of The Bands!!

EVENT DETAILS

High school students who are in garage bands, of any style or musical genre, outside of school, are invited to submit an application (available through music teachers and at the **BandJam** website at www.casciac.org under the Student Activities link) plus an audition recording with two songs (originals or covers) by April 28, 2010. All members must be currently enrolled in a Connecticut CAS member high school, (check with a teacher or principal) however, band members do not all need to be enrolled in the same high school. In addition, one member from each band must identify a music teacher (in school or privately) who has made a positive difference in their music education.

Audition recordings, which do not need to be professional, are reviewed by a committee and narrowed down to a maximum of 12 bands per site. The selected bands must be able to perform at either the **Bandjam West** hosted by Darien High School or at the **Bandjam East** at Norwich Free Academy, both taking place on Friday, May 21 from 4:00 p.m. – 9:00 p.m.

The bands at each site will compete to receive a grand prize that includes:

- **Three (3) hours of professional recording studio time**
- **An appearance at the International Festival of Arts and Ideas on the New Haven Green, Elm Street Stage on Saturday, June 26, 2010**
- **Gift Cards from Sam Ash Music Stores**

Judges will be made up of professional musicians and experienced talent managers.
