

# Information Session: Major Changes Required in Bullying Policies

Public Act 08-160, "An Act Concerning School Learning Environment," not only postponed the implementation date of the limitation on out-of-school suspensions, but also broadened the definition of bullying and added a number of requirements pertaining to the development and implementation of district policies to address the existence of bullying in CT schools.

**Thursday, Nov. 20  
3:30-5:30 p.m.  
CT Assoc. of Schools  
30 Realty Drive  
Cheshire**

We will review the requirements of this statute and examine ways schools and districts can prepare for compliance.

Presenters:

**Thomas B. Mooney**, Esquire, Shipman & Goodwin, LLP, and the Neag School of Education, University of Connecticut

**Jo Ann Freiberg**, Ph.D.; Associate Education Consultant; School Climate, Bullying and Character Education, Bureau of School and District Improvement, Connecticut State Department of Education

A light dinner (pizza and salad) will be served at the conclusion of the session. Register on line at [www.casciac.org](http://www.casciac.org). There is no cost for attendance at this information session.
