Webinar for High School Admin
REGISTER NOW

In response to changes related to COVID-19, the NCAA Eligibility Center will be hosting a webinar for high school administrators. This webinar will review initial-eligibility requirements for students initially enrolling full time in the 2021-22 academic year and the Eligibility Center's [COVID-19 Response FAQ](#).

	DATE Thursday, October 1		TIME 2 p.m. Eastern
--	------------------------------------	--	-------------------------------

This webinar is for high school administrators only. The Eligibility Center plans to host a

separate webinar in October for your college-bound student-athletes and their families. To learn more, [follow the EC on Twitter](#).

The webinar will include a live chat function, so please come prepared with questions for the Eligibility Center staff presenters. Space will be limited; however, the webinar will be recorded and emailed to all registrants if you are unable to join us live.

We look forward to your participation!

Thank you,
NCAA Eligibility Center
