Steve Gerety graduated from the University of New Hampshire with a B.A. in Communications in 1997. Since then, he has been a Professional Youth and Leadership Trainer who has impacted thousands of students across the United States. He uses humorous and powerful motivating real life examples that help develop character and leadership skills. His engaging and inspiring keynote speeches and interactive workshops teach students how to make positive choices every day that help lead them in the direction of their dreams.

Steve was fortunate enough in school to have had a variety of opportunities to develop and enhance his leadership skills. In 1991, he was selected as the New Hampshire Outstanding High School Sophomore and attended the Hugh O'Brien Youth World Leadership Conference in Chicago with sophomores from around the world. This experience gave him tremendous insight in understanding that everyone has the ability to make a difference in the world. Steve went on to become Vice President of his class, a member of student council, S.A.I.D., captain of his football team, chosen All Conference for defense, selected as defensive player of the year by his teammates, chosen to be part of the 1993 Shrine football team and played varsity baseball.

His life's passion is to share the importance of character and leadership skills he has learned with the future leaders of tomorrow.
