

CENTER FOR LEADERSHIP AND INNOVATION

# Virtual Book Club

Join the Center for Leadership and Innovation's book club on *Leader Credibility: The Essential Traits of Those Who Engage, Inspire and Transform*.

Recruit a friend, gather a small district/school team, or sign up as an individual and connect with colleagues across the state. Together, we will learn about the four key concepts that constitute the core value of leader credibility, how they operate as an integrated set, and when in action, push the organization forward.

## ABOUT THE BOOK

*Leader Credibility: The Essential Traits of Those Who Engage, Inspire and Transform.*

Passion, vision, relatability—can we ever quantify the facets of successful leadership? Is there sufficient “there-there” behind these feel-good words to transform a school into a culture of learning and bold hope? Yes, and yes! Inspired by John Hattie’s impressive research, Fisher, Frey, Lassiter, and Smith bring their trademark clarity to turn aspiration into energized action.
