

FOX 61 Student News program is a unique opportunity to gain real-world experience that will be an asset as you apply to college and make post-graduation plans. Internships and hands-on learning experiences are becoming increasingly important to employers and your participation in this program puts you one step ahead of your peers.

Student voices are powerful, and the stories you choose to report and produce will not only elevate your voice but showcase your hard work and creative abilities to the entire state.

About:

FOX 61 Students News is a nationally recognized, award winning, educational partnership that showcases the excellence in our schools. The program engages thousands of students and their participating middle and high schools throughout the state.

We provide professional guidance to **students** who receive hands-on knowledge to express themselves through their own produced news stories. **Teachers** receive on-going support and attend bi-annual training workshops. **Schools** receive access to software to assist with production and distribution of stories.

FOX 61 Student News stories are uploaded to FOX61's Facebook page and each week we air a story in our News on Fridays: 7:00AM, 5:30PM and 10:00PM and again on Saturdays 6:45A and 8:45AM. Previously aired student produced stories are posted to fox61.com and boosted through [@fox61news](https://www.instagram.com/fox61news/) social media channels

Each spring, we invite all participating students and schools to our FOX 61 Student News Awards Ceremony. This year, it will be held on Wednesday, May 23rd at Goodwin College.

FOX 61's commitment to education aligns with our mission of **HOPE**. The program is designed to encourage a higher level of learning for both students and teachers.
