

# 2017 Connecticut Core State Standards Leadership Community of Practice Revised

***The CCSS Community of Practice is designed to assist school and district leaders in the effective implementation of Connecticut Core State Standards***

## ***Participants will be able to:***

- *Build upon the most advanced current thinking about preparing all students for success in college, career, and life;*
- *Articulate the link between social-emotional learning and the Common Core;*
- *Explore supports that are in place to aid in successful implementation;*
- *Share successes and challenges with colleagues from other districts.*
