Superintendent and Executive District Leader Preparation Program

Virtual Information Sessions

Wednesday, February 17, 2021 or Thursday, March 4, 2021

Both sessions 4:00 - 5:00

Learn about Central Connecticut State University's Superintendent Certificate Program

A panel of highly regarded superintendents will share insights about the rewards and challenges of the superintendency, and share their experiences serving as a superintendent mentor in CCSU's 093 program.

Panelists will also speak about their career paths and the prior professional experiences that shaped their ability to effectively lead school districts. Current students will also be present to share information about their internship experiences with an active superintendent.

We invite all central office and school leaders interested in exploring the superintendency or other central office leadership positions to attend.
