“Learning Progressions: A Guide to Vertical Alignment in Mathematics”

11:00 – 12:20 **Facilitated Breakout Sessions**

Participants will meet in cohorts by level and address the following questions:

- What implementation practice learned at the February session, ***“The Digital Library and the Formative Assessment Process”*** did you try in your school or district?
- What are three “best ideas” you learned from this morning’s presentation?
- What did you learn from your colleagues that you intend to bring back to your school or district?
- “How will a better understanding of ***Learning Progressions*** support Teaching and Learning?”

12:30 **Lunch and Networking in the Commons**

** To allow for an early dismissal, refreshments will be available in the conference room during the presentations, and breaks will be informal*
