

With shrinking budgets and fewer resources, school districts and public agencies are looking to CREC now more than ever to help meet their purchasing requirements. Collaborative purchasing expertise insures that our contracts are legal, safe, and compliant.

CREC contracts are

- Competitively bid through a single locally and nationally recognized purchasing solicitation
- Tailored to meet each member state's specific legal requirements
- Supported locally by a service agency serving municipalities and schools

ATHLETICS AND PLAYGROUNDS

**Nationally Bid,
Locally Awarded**

CREC is your one-stop-shop for athletics! We have competitively bid a full line of products to help you build your dream athletic and recreation complex. We've done the leg work for you, following state-specific purchasing guidelines. And by combining the purchase power of those that we serve across the country, we've secured deep discounts on everything you need.

*Natural and synthetic surfaces for sports fields, tracks, courts, playground and landscape applications: CREC believes that customers should have a choice. The types of sports played on your fields and your geographical location may have an impact on the vendor that's right for you. All of these have gone through a competitive bidding process, and have been vetted by our team of experienced procurement professionals.
