

MaxPreps and CIAC Partnership Background

While the CIAC's partnership with MaxPreps has many benefits, the main goal of the partnership is to collect and highlight member school information as efficiently as possible. MaxPreps is the industry leading platform that provides schools with various desktop, tablet, and mobile options to keep their team information accurate.

Frequently Asked Questions

1. What CIAC initiatives will MaxPreps data power? MaxPreps is the Official Partner for Sports Statistics to the CIAC. All information entered into MaxPreps will be sent to the CIAC to manage stat leaderboards and much more. In order to manage these initiatives, all CIAC member schools are strongly recommended to enter their team statistics after each game.

2. Where do I enter my schedule, score and roster? Each member school will continue to enter their schedules and scores into the CIAC administrative platform, and that data will be sent to MaxPreps to be displayed on your team pages. Each member school will then be responsible for updating their stats on MaxPreps after each game throughout the season.

3. What do Athletic Directors need to do? Since CIAC member schools need to keep accurate stats on MaxPreps, the AD needs to ensure each team coaching staff has access to enter stats. ADs or any coaches currently not using MaxPreps should contact MaxPreps at 800-329-7324 x1 or support@maxpreps.com to sign up or get access.

4. Which sports are included in the partnership? MaxPreps provides a complete stats platform for nearly all the sports the CIAC offers.

5. How do I sign up to get access to my administrative account on MaxPreps for the first time? Athletic Directors/Coaches can follow [this link on MaxPreps](#) to become a free MaxPreps member and follow the prompts to gain access to your team. Make sure to select "Head Coach or Athletic Director" as your role for the team.

6. Can Athletic Directors control their MaxPreps team pages? Yes! Athletic Directors can control every single team from their free School Administration page on MaxPreps.

7. Can coaches allow a team statistician or assistant coach to help manage their team information? Yes! Once the coach has access to their team admin page, they can give other individuals access to their page to help keep their team information accurate.

8. Is MaxPreps compatible with other stat programs? In addition to MaxPreps own mobile, tablet, and desktop tools, MaxPreps is compatible with over 80 different stat companies across multiple sports. [Click here to view MaxPreps stat partners.](#)
