- **CIAC State Leagues**

- [League of Legends](#) - League of Legends (LoL) is a multiplayer online battle arena (MOBA) game developed by Riot Games in 2009. This PC-only game is free-to-play and boasts more than 115 million players. It has also become the world's most popular esports with 12 leagues competing around the world. The 2019 World Championship had over 100 million viewers, including in-person and online fans.
- [Rocket League](#) - Rocket League is a fantastical sport-based video game, developed by Psyonix. Many would say it's like "soccer with cars". It features a competitive game mode based on teamwork and outmaneuvering opponents.

- [Super Smash Bros.™ Ultimate](#) - Super Smash Bros. Ultimate is the latest Super Smash Bros. game, released in 2018 by Nintendo. It's a unique competitive game where, instead of classics like Tekken and Street Fighter, players can freely move throughout the stage. Super Smash Bros. Ultimate creator, Masahiro Sakurai, said that Ultimate is different from 2D fighting games because it's more about your location than your spacing from the opponent.
