

A Legal Update on the Supervision and Evaluation of Certified Coaches

A workshop for principals and athletic directors

• **Monday, March 7, 2005** •

2:00 p.m. to 4:00 p.m. • CAS-CIAC Conference Center, Cheshire, CT

PURPOSE:

This workshop is designed to bring school administrators and athletic directors who are responsible for the evaluation of coaches up-to-date on the requirements of **Public Act 04-423, *An Act Concerning Termination of Coaches***. The workshop will also provide evaluators with helpful hints on writing end of season evaluations and what should be included in your district evaluation plan for coaches.

PRESENTER:

Thomas Mooney, Esq., Shipman & Goodwin, LLP

TOPICS:

Attorney Mooney will address the following:

- What every athletic director and school administrator responsible for the evaluation of coaches needs to know about this legislation.
- Documentation that would be necessary in the event a terminated coach requests a hearing before the board of education.
- The expanded rights of coaches and how this may impact your present supervision and evaluation procedures.
- The questions of who can complete summative evaluations, is 092 certification required, who is the immediate supervisor, can head coaches evaluate assistants and much more!

Attorney Mooney will also critique sample summative evaluation documents and sample coaches evaluation plans submitted by several athletic directors.
