How to Work Less, Play More, & Still Get the Job Done in a Normal School Week

Want to reduce your work load by 15-20 hours a week,
while multiplying your time in classrooms by 500% or more?

In This Program You Will Learn How To...

- Work a 40-50 hour week, while increasing organizational productivity and efficiency.
- Observe classroom instruction for at least 2 full days each week
- Be reenergized in the role of "Instructional Leader".
- Employ best practices for working with the school secretary.
- Prepare your organization to produce significant increases in student achievement measures.

What Participants Say About TBC 2 Day Program...

After attending your 2 day workshop in August, I changed everything about the way I do business. This has been the most successful year of my career. My schedule is to be envied. I have remained true to two days per week in the classroom. I have yet to work a weekend and I am able to leave the office by four o'clock. What can I say - I am hooked.

David C. Harding, Principal, Hall Memorial School, Willington, CT

I experienced the biggest benefits of The Breakthrough Coach program after attending the 2 Day Program. I am now spending a minimum of two days a week in classrooms coaching instruction, and have more personal time with my family than ever before.

Moreno Carrasco, Principal, Montgomery County HS, Montgomery County PSD, MD
