

Ladies and gentlemen, _____ High School has accepted the responsibility of being a CIAC Class Act School. That commitment requires that all fans, as well as student-athletes, and coaches, model appropriate behavior. We ask that everyone be respectful of the opponents, visitors, and officials and do their best to be a positive representative for _____ High School by displaying the ideals of sportsmanship that include honesty, citizenship, fairness, respect, and adherence to prescribed regulations. Let's work together to show what it means to be a Class Act School. Thank you.
