

CAS ROUNDTABLE CONVERSATION FEBRUARY 2 • 9:30-11:00 AM

Safe & Positive Climate Policy Implementation

Establishing a safe and positive school and district climate is essential to ensuring growth and success for all members of a school community.

On February 2, CAS is hosting a webinar to help school leaders further their understanding of the guiding principles and systemic strategies necessary to create positive and restorative learning environments in which:

- all voices are respected and heard;
- racial and social justice and equity are supported;
- social and emotional learning is promoted; and,
- the skills of citizenship and democracy are employed.

Our panel of experts includes: **Patricia Ciccone** and **Dr. Jo Ann Freiberg** from School Climate Consultants, LLC; **Steven Hernandez**, Executive Director, CT Commission on Women, Children and Seniors; **Patrice McCarthy**, Deputy Director and General Counsel, CABA; **Dr. Janet Robinson**, Superintendent, Stratford Public Schools; and **Sarhanna Smith**, Principal, Read School, Bridgeport.
