

# Debt-Free Tuition

*at CT State Community College*

An information session for school leaders,  
counselors, and college and career readiness staff

**CT STATE**  
COMMUNITY COLLEGE

The Debt-Free Tuition program at CT State Community College removes financial barriers by covering the gap between eligible grants and tuition costs. This information session is designed for school leaders, counselors, and college and career readiness staff to learn how the program works and how to best support students through the application and enrollment process.
