

Experiential STEM Collaborative (ESC)

Bring. **Clubs.** Back.

A virtual exploration of STEM careers direct **from industry experts.** Each month a different career.

VIRTUAL

AFTER-SCHOOL

CAREER-CONNECTED

Shaping Future STEM Leaders

esc@milestonec.com | (203) 848-0360 | www.milestonec.com

Virtual after-school program designed by tech industry experts in partnership with CT education leaders. Collaborative mission to equip high school students with **key college & career skills** and restore the **social interaction** element of club activities severely missing in the pandemic environment.
