

ESPORTS INFORMATION SESSION

**SEPTEMBER 27TH 4-6PM
CAS-CIAC**

Esports consists of a variety of video games, for which you need nimble fingers and a fast brain to succeed. Just as with traditional sports, fans follow teams, watch matches and attend finals, cheering on their favorite stars from around the world.

Esports is one of the fastest growing activities across the world. It is growing within the collegiate and now high school environment! Learn more about esports and how your school can get involved at an informational session facilitated by staff from the Electronic Gaming Federation.
