

Be among the first educators in Connecticut to participate in this award winning Holocaust Education Program

ECHOES and REFLECTIONS

*A state-of-the-art multimedia curriculum on the Holocaust developed by The Anti-Defamation League along with the Survivors of the Shoah Visual History Foundation and Yad Vashem (Israel's Holocaust Martyrs' and Heroes' Remembrance Authority), includes ten multi-part lessons on the Holocaust with companion DVD or VHS of visual history testimonies from Holocaust survivors and other witnesses. These personal stories of the Holocaust offer distinct perspectives on this historical event. Through the study of the Holocaust, the **ECHOES and REFLECTIONS** curriculum helps students connect with contemporary issues.*
