

# EDUCATION & MANUFACTURING Pathways and Partnerships

an event designed for leaders and innovators in both education and business throughout Connecticut to meet to explore pathways and partnership opportunities.

**MARCH 31, 2026**

9:00-3:00 p.m.  
3 Pent Road, East Hartford, CT  
Room 111k

\$100 per participant.  
Scan the QR code below to  
register.

Educators will ...

## **explore**

opportunities for pathway development, concurrent enrollment, and industry-recognized credentials.

Manufacturers will ...

## **discover**

how school districts are rallying to assist with the need for trained employees in manufacturing.

Educators & manufacturers will ...

## **learn**

about Department of Labor collaboration opportunities with school districts and how to connect with each other.
