New Administrator Mentor Program
“Mentor ~ Mentee”

The following list represents the minimum commitment that we are asking of mentees:

- attend the New Administrator Orientation and Mentor Program held at CAS on September 21, 2007;
- attend additional mentor/mentee programs during the year to the extent possible;
- communicate with mentor at least once a month by phone, fax or email; and
- have three other personal contacts during the school year with mentor. (e.g. attend a professional development program together, meet at mentee’s school and/or at mentor’s school, have a shadowing experience).

Note: Fees are waived for CAS professional development programs which mentors and mentees attend together.
