

December 2017

WELCOME TO THE CIAC'S 41ST ANNUAL FOOTBALL CHAMPIONSHIPS

Congratulations to all of the participating teams in the 2017 football championship playoffs. We join with you in the tremendous feeling of pride and the sense of accomplishment that must pervade the entire community as a result of this great achievement. All of the hard work, sacrifice and commitment by so many have succeeded in producing a truly unique opportunity for these teams.

One of the major objectives of the CIAC has always been the promotion of positive sportsmanship. We ask your active support today and throughout the year in helping the CIAC achieve this most important objective by cheering for your team not against the opponent, and to treat opposing fans, players, coaches and officials with respect.

We are pleased to note that in all of the previous championship games, all players and coaches have given their very best. This is how the game should be played and we are certain that we will be equally proud of the participants in this year's championships. We extend our sincere gratitude and appreciation to all who have made their facilities available for the early rounds of the postseason, and again today for the football finals. Without them, the state championships would not take place, and we are in their debt.

Lastly we wish everyone a positive, exciting and meaningful championship football experience. To those of you who are fortunate enough to win, please do so with the proper degree of sportsmanship and humility; and to those of you who lose, keep your head held high, for you have earned the right to be proud by being a part of these championships and competing well.

SPORTSMANSHIP

Respect – Teamwork - Character

Welcome to today's contest. Recently, high schools in Connecticut have joined a CIAC sportsmanship initiative entitled "Class Act Schools". Today, some of the schools that are playing, are a part of that initiative and we ask that the following standards of sportsmanship be followed by all spectators:

- All signs displayed must be positive in nature, reference only the school supported by the sign maker, and must have been pre-approved by the athletic director of the school referenced in the sign.
- During outdoor sports, air horns or horns of any kind, whistles, or any other noise makers will not be allowed!
- Pep Bands are allowed with CIAC permission if the school provides adult supervision and the band only plays during "dead ball" situations.
- All spectators will cheer positively to support their team, and will not cheer negatively against the opponent.
- All spectators will show respect for the game officials and their decisions.
- All spectators will show respect for the playing of the National Anthem.

After the game, awards will be presented and teams will be congratulating each other on the field at each of their respective 40 yard lines.

No Spectators are allowed on the field after the game.

The Connecticut Association of Schools is proud to continue our partnership with the Connecticut Department of Transportation's Highway Safety Office. The goal of the Connecticut Highway Safety Program is to prevent roadway fatalities and injuries as a result of crashes related to driver behavior.

For the 2017-18 high school athletic season, the Highway Safety Office will bring their 'Drive Sober or Get Pulled Over' and 'One Text or Call Could Wreck it All' messaging to state tournament games. We hope that by encouraging all athletes, families, fans and the entire community to drive sober and without distraction that we can help keep drivers and passengers safe and encourage responsible driving behavior.
