

## SPECIAL EVENT

### Meet Author Renata Bowers

"Inspire children to dream big and believe in the significance of their one-of-a-kind stories, to value the stories of others, and to use what they're good at and care about to make the world a better place."

*I believe that within each of us is an incredibly unique and valuable story. Kind of like a lightbulb, it needs to be turned on to shine. So many of us – young and old alike – either don't know it's there at all, or believe we're not good enough, or think it's too late to light it. That's nonsense. The world needs every good story – the unique potential and purpose inside each and every one of us. And so, there's Frieda. To nudge us to believe, to dream, to flip the switch.*
