# Guidelines for Submission of Data Walls

## *WE WANT YOU TO SHARE YOUR DATA*

**Your school's principal or district administrator must approve data wall displays. Districts may submit no more than ten displays. One designated individual should register each submission separately for their district.** Please visit http://registereastconn.org/ds to register your submission. Once the registration process is complete, a courtesy message will automatically be sent to the e-mail address of the designee who approved the submission. The individual who completes the registration will receive a confirmation e-mail that includes a form that must be printed out and affixed to the back of the display prior to submission. **Individuals who are registering data wall displays must ALSO register at http://registereastconn.org/ds for the conference IF they are planning to attend.**
