Guidelines for Data Wall Display Submission

WE WANT YOU TO SHARE YOUR DATA

Data wall displays must be approved by your district's superintendent or his/her designee and be registered by only one person from your school. Schools and districts may submit more than one data wall display. One individual should register each submission separately. Please visit http://www.sdecali.net/ to register your submission. Once the registration process is complete, a courtesy message will automatically be sent to the e-mail address of the superintendent or designee who approved the submission. The individual who completes the registration will receive a confirmation e-mail that includes a form that must be printed and attached to the back of the display prior to submission. Individuals who are registering data wall displays must also register at http://www.sdecali.net/ for the conference if they are planning to attend.

Suggested Topics:

Reading Achievement	Mathematics Achievement
Parent/Community Involvement	English Language Learners Achievement
Special Education Achievement	Discipline/Behavior
Instructional Strategies	Preschool
Attendance	Physical Fitness
Extracurricular Activities	Arts

For your convenience, you may drop off data wall displays at the following locations:
