

CAS High School “Heart of the Arts” Award Nomination

In conjunction with the National Federation of High Schools (NFHS), CAS is pleased to open nominations for the “Heart of the Arts Award.” This award seeks to recognize students involved in high school performing or visual arts programs who exemplify the core values of education-based activities.

Students may be nominated for a specific act or for an activity of longer duration in which they have demonstrated exemplary ‘heart’ – i.e., integrity, citizenship, good character; have exceeded normal expectations in assisting others within the school community; or, have overcome adversity or a challenging circumstance. Nominations must be submitted to Dave Maloney at the CAS Office by **January 20, 2016**.

Nominated students may be involved in any of the visual or performing arts disciplines: Art, Music, Debate, Theatre and Speech. All nominees must be students in good academic standing and should possess positive character traits such as integrity and high ethical standards. Among the qualifying criteria that will be judged are grade point average along with arts activities and community involvement. Nominations must be for activities that occurred between January 1, 2015 and January 19, 2016.

Nominations received by January 20, 2016, will be judged by the CAS selection committee. The winner will be recognized at the High School Arts Banquet on April 5, 2016, at the Aqua Turf Club.

Schools may nominate as many candidates that they deem qualified.
