WELCOME TO THE 2019 CIAC HOCKEY CHAMPIONSHIPS

More than ninety years ago, principals from high schools throughout Connecticut joined together to create a structure that would promote healthy competition for their school's team and sportsmanship between and among their athletes. Even in the 1920s, there was a concern that student-athletes be allowed to enjoy their sports without fear of exploitation by outsiders. That small band of principals could not have foreseen the future development of what would become the Connecticut Interscholastic Athletic Conference (CIAC), and the importance that would evolve in so many of its sports tournaments. Certainly, the boys ice hockey tournament has become one of the marquee events in the high school sports world in Connecticut.

It is an honor for me to serve as the chairman of the CIAC Ice Hockey Committee. Building on the solid foundation set by our predecessors, the committee members have worked long and diligently for the betterment of our sports. I am sure the ice hockey teams throughout Connecticut will continue to thrill our fans with their speed and skills. The championship games will be the culmination of months and years of hard work from the student-athletes and coaches, and will undoubtedly be a source of pride for parents and spectators regardless of the outcomes. We are grateful for those schools and facilities that hosted our tournament competitions and are thrilled with our hosts and Yale and know they will provide a great event worthy of the efforts of our competitors.

The CIAC Ice Hockey Committee has long stressed sportsmanship and appropriate behavior from our players, coaches, and fans, and we hope everyone will honor that commitment this weekend to allow the wonderful play and competition of these teams to be the focus. We congratulate all the teams that have made it this far, and wish all of them the best of luck.

Welcome to the CIAC Ice Hockey Championships as we witness the best there is in high school hockey.

CIAC ICE HOCKEY HONOREE

BILL VERNERIS

The first thing to know about Bill Verneris is that he is a Hamden guy. Bill is a 1977 graduate of Hamden High School where he played ice hockey from 1975–1977. He was a member of the 1976 state and national teams and the 1977 team that advanced to the state final.

Bill stayed close to home and attended Quinnipiac University where he graduated in 1982. He played hockey for the “Braves” where he became one of the school’s top scorers. He stayed involved in Quinnipiac hockey as an assistant coach for three years.

In 1987, Bill was the first hockey player ever inducted into the Quinnipiac Athletic Hall of Fame. In the same year, Bill was selected by legendary coach Dick Gagliardi to become his assistant hockey coach at Hamden High School. Many years later, Bill succeeded Dick as Hamden’s head coach.

Bill’s tenure as Hamden’s coach was filled with success. Hamden played in four state championship games – winning back-to-back finals in 2009 and 2010. During his time at Hamden, Bill was honored as the New Haven Register coach of the year in 2003, 2009 and 2010. He was also the Connecticut High School Coaches Association boy’s hockey coach of the year and the SCC Ice Hockey Division I coach of the year.

Todd Hall, who assisted Bill at Hamden, called Bill the most passionate coach he ever saw – completely dedicated to his athletes and his sport. Todd also pointed out that Bill always looked for ways to improve – often attending other schools practices searching for new ways to better the Hamden program.

Bill’s coaching philosophy included playing the most challenging schedule, adapting the system to the talent level of his athletes, and working to have, and keep, a very high level of respect between coaches and students.

In retirement, from coaching, Bill remains a lifelong resident of Hamden. He is president of Rainbow Cleaners which is also located in his home town.

Today, the CIAC Ice Hockey Committee is proud to honor Bill for his dedication, leadership and longtime service to Connecticut’s ice hockey family.

Notre Dame West Haven Green Knights

Hobey Baker Character Award

Success in life, much like success in hockey, demands more than skill alone. It demands a positive attitude, strong work ethics, and a will to succeed. In 2003, we established the Hobey Baker High School Character Award to honor these players. Each year, a single senior hockey player is chosen by their school to be honored, and they receive a plaque, as well as the Hobey Baker Winner award.

It Starts With Character

The Connecticut Association of Schools is proud to partner with the Connecticut Department of Transportation's Highway Safety Office. The goal of the Connecticut Highway Safety Program is to prevent roadway fatalities and injuries as a result of crashes related to driver behavior.

For the 2018-19 high school athletic season, the Highway Safety Office will bring their 'Drive Sober or Get Pulled Over' and 'One Text or Call Could Wreck it All' messaging to state tournament games. We hope that by encouraging all athletes, families, fans and the entire community to drive sober and without distraction that we can help keep drivers and passengers safe and encourage responsible driving behavior.
