

## GET READY TO GET BACK TO SCHOOL

As a trusted partner, Jostens has a mission to listen and meet the needs of all schools, as we recently did in helping thousands of schools we partner with – and many schools we don't yet partner with – celebrate their commencements virtually this spring.

We're now committed to helping schools like yours **GET READY 2 GET BACK** to school next fall, however that is going to look for you.

Please watch this short video outlining the various and complimentary listening, learning, and planning opportunities we're making available to all school leaders this summer, including the Virtual Town Hall sessions we're inviting you to attend in June leading up to our global, virtual back-to-school conference in July.

To make sure Jostens is focusing on your most pressing issues and needs as you prepare for a safe, successful return to school this fall, you are invited to attend any one of our upcoming virtual Town Hall Meetings, to hear what school leaders are saying and thinking across the country, and to dialogue with your regional peers on what next fall might look like.

These town hall meetings will be occurring over the next three weeks, with multiple options for joining in the conversation.

**Register for any of the times listed below.**
