With Jethro Jones, Host of the *Transformative Principal* Podcast

Attention CT school leaders & aspiring leaders!

Join us at the Sheraton Hartford South Hotel on October 16 for our full-day leadership event ...

SHOW UP, LEAD UP, AND LEVEL UP SO YOU CAN MOVE UP

This empowering workshop is designed to guide you on a transformative journey, equipping you with the skills and insights needed to excel as visionary and impactful leaders.

Presenter JETHRO JONES will share strategies to help you:

SHOW UP ... The more you know about yourself, the better you'll be. Know who you are so you can show up as your best self.

LEAD UP ... Leadership isn't about being in front of people. It's about leading those above you, below you, and all around you.

LEVEL UP ... Understand the difference between adding more knowledge and adding more skills. Learn to level up in a way that defies everything you've been taught before!

Registration is \$125 for CAS members (\$175 for non-members) and includes a virtual follow-up session, ***Continuing the Conversation with Jethro Jones***, on November 1 from 3-4 PM.
