To whom it may concern,

I am writing to recommend Joey, a remarkable student at Joseph A. Foran High School, for consideration at your esteemed institution. As Joey's journalism teacher and advisor, I have had the privilege of witnessing his numerous strengths and contributions within our school community. Joey is an exceptionally talented writer who excels in receiving and applying constructive criticism. His ability to meticulously review and edit articles demonstrates his dedication to producing high-quality work. His contributions to our school website and magazine are consistently insightful and engaging, reflecting his hard work and passion for journalism.

In addition to his writing talents, Joey has distinguished himself in the field of broadcasting. Last year, he was honored with an award from the New England Scholastic Association for his outstanding work in broadcasting our school's football games. This accolade is a testament to his skill and enthusiasm in this area. Furthermore, Joey serves as the sports editor for our class, where he continues to demonstrate leadership and commitment to excellence.

Beyond his academic and extracurricular achievements, Joey is a friendly and talented individual who enriches our school environment. He is an active member of the Natural Helpers group that I advise, which plays a crucial role in helping freshmen acclimate to high school life. Joey's involvement in running our orientation program each summer highlights his dedication to supporting his peers and fostering a welcoming school atmosphere. I am confident that Joey will bring the same level of dedication, talent, and leadership to your institution as he has demonstrated at Joseph A. Foran High School. He is a well-rounded individual whose contributions will undoubtedly enrich your academic community.

Thank you for considering Joey's application. Please feel free to contact me at lfarrell@milforded.org should you require any further information.

Sincerely,

Lisa Farrell

Joseph A. Foran High School
