

KIM MARSHALL

MINI-OBSERVATIONS WORKSHOP

**FRIDAY
NOV 22
8AM-3PM**

CAS

**30 REALTY DRIVE
CHESHIRE, CT**

FREE WORKSHOP

Dr. Kim Marshall, author of the Marshall Memo and a national educational expert, will address the practice of mini-observations. He will define their meaning, purpose and discuss why they have been an effective tool in improving teacher evaluations. In addition, Dr. Marshall will address teacher feedback.

**Intended Audience:
Superintendents and District Teams**

(Including assistant superintendents, principals, assistant principals, & teachers.
Teams are limited to four registrants on one registration from a school district.)
