LTC 619: 8AM-NOON (*Instructors-, Anne Macneil, Diane Callis*) - **THE POWER OF CURB APPEAL**

The power of curb appeal is highlighted in this course. Visitors to a school often form an opinion of the school and community based on first impressions of the appearance of the facilities. This course discusses the power of curb appeal and how communication can enhance curb appeal. Strategies and methods are provided for maintaining structures and facilities as well as a comprehensive and thorough study of "Best Turf Field Maintenance Practices" as well as "Best Operational Management Practices."

LTC 720: 12:30-4:30PM (*Instructor- Joe Canzanella*) - **COMMUNITY CENTERED EDUCATIONAL ATHLETICS—A CHARACTER BASED APPROACH TO IDENTIFYING AND UNIFYING THE WHOLE TEAM**

Character based educational athletics can only truly succeed when the entire community—School Board, Superintendent, Principal, Parents and Boosters—support and embrace the values and views lived daily in the school setting by the student and strategies needed to implement these programs within the entire community athletes, coaches, athletic department and school faculty. Without question, teachable moments in athletics prepare students for life when the whole community supports and reinforces those life lessons. This course will empower the athletic administrator to motivate the entire community to walk the talk by creating strategies to use in your school community.

REGISTRATION MUST BE RECEIVED NO LATER THAN NOVEMBER 1, 2019
