★★Program★★

The Middle School Student Leadership Conference is a CAS initiative to train middle-level students in leadership and school climate skills. Since its inception fourteen years ago, almost 5,000 students in grades 6, 7, and 8 have been trained.

Students will participate in workshops designed to increase their skills in:

Building a Climate of Acceptance

Making A Difference At School

Taking Risks and Rising to the Occasion

Led by teachers, administrators, youth officers, high school students and counselors from around Connecticut, students will have opportunities to work together in small groups.

Student leaders will:
