The Middle School Student Leadership Conference is a CAS initiative to train middle-level student leaders from the diverse groups in your Connecticut middle schools. **Building a Climate of Acceptance  
Making a Difference at School  
Taking Risks and Rising to the Occasion**

Led by teachers, administrators, youth officers, high school and college students and counselors from around Connecticut, students will have opportunities to work together in small groups.

### Student leaders will:

1. Participate in team-building activities with students from schools all over Connecticut;
2. Respond to role-play situations;
3. Talk with recognized student leaders in Connecticut high schools and universities;
4. Share leadership experiences and ideas with peers.
