

### School Grants Program

The Long Island Sound Foundation will provide a grant to selected schools.

Prior to the event, students may submit a one page essay on what they want to learn or experience on Marine Science Day and why their school should be selected to:

[susan.mcnamara@lisfoundation.org](mailto:susan.mcnamara@lisfoundation.org)

Teachers may collaborate with their students.

### The Long Island Sound Foundation and Project Oceanology with the Connecticut Association of Schools

Presents

### The 11<sup>th</sup> Annual Marine Science Day

Wednesday

**May 14, 2014**

for Students in  
Grades 4 through 8

10am – 2pm

At  
The University of Connecticut  
Avery Point Campus  
and  
Outreach Locations  
Around the Sound

## Marine Science Day

The purpose of this event is to educate students about Long Island Sound and Marine Science. Each student will be scheduled to participate in a series of hands-on workshops presented by university personnel, graduate students, and environmental educators from a variety of organizations and institutions. These workshops promote a greater awareness of Long Island Sound and the Marine Sciences.

## Schedule

**9:00 – 9:45** Registration

**10:00 – 2:00** Workshops

Visit [lisfoundation.org](http://lisfoundation.org) for final workshop listings and each organization's web page.

Outreach programs are located at The Connecticut River Museum, Schooner Inc., The Sound School, and SoundWaters.

Each student is encouraged to pack a lunch that will generate the least amount of trash. Bring your own beverage (**no glass containers**).

Students should dress for outdoor walking, wet-lab activities, and a boat trip. Flip-flops are not recommended.

## Registration

Register **ONLINE** at [www.casciac.org](http://www.casciac.org).

Use this form to submit payment.

Registration is on a first-come, first-serve basis.

A lottery system is used for boats trips.
