

NEW LEADER FOCUS GROUPS PROPOSED QUESTIONS

As always, you are free to develop other questions and, of course, the group conversation may go in a variety of directions. These are only proposed questions you might consider for the Patrick Larkin Presentation. Ev

1. What would be the implications for your school if you decided to move in the one-to-one direction?
2. Is your school moving toward a more relaxed policy on student-owned/in-school use of technology?
3. What might be the main stumbling blocks to implementing this type of program?
4. What do you see as possible instructional advantages to this type of innovation?
