

**Pre-Conference Activity:
Renata Bowers, Free to Be a Hero**

Student Name: _____

Hi there! I'm looking forward to meeting you at the CAS Elementary Leadership Conference in January.

I have one thing I'd like you to do before we get together:

Write down the name of at least one person who is a hero to you... someone you know who puts others first, who takes the time to love and listen to and care for others, who makes the world a better place. (You can name more than one person, if you like!)

Write that name/those names right here: _____

Great. Thanks! Bring this paper with you (or remember those names in your head) on January 11th.

See You Soon,

Renata Bowers
