He reviewed the Shot Clock Operator Instructions document which should be placed on the scorer’s table. He explained that shot clock operator training was being implemented by several leagues around the state. A lengthy discussion took place on the protocol to be used if a shot clock fails. The discussion came down to whether the one working shot clock should be used or if that shot clock should be turned off and the clock would be done verbally from the scorer’s table. After a lengthy discussion, the motion to use the one working shot clock failed 5-4. This topic will be discussed by the girls basketball committee at their next meeting.

Proposal Draft Regarding Start Date of Boys Basketball

To: Gregg Simon; CIAC Executive Director
From: Fairfield County Interscholastic Athletic Conference
RE: CIAC Boys Basketball Start Date
Date: TBD

This proposal follows the change made by the CIAC to the start date of fall sports, which has moved up 3 days so that the state tournament can begin on the Thursday prior to the current following Monday start date. Our proposal is to move the start date for boys' basketball to the same date as girls' basketball, which is the Monday after Thanksgiving. The boys are currently starting 3 days later, on the Thursday after Thanksgiving. The change for fall sports was made so that the fall state tournaments could start 3 days earlier and not to have any compacting effect on the regular season or conference playoffs. We realize that tryouts for boys' and girls' basketball will now take place simultaneously and may result in later practices for the first few days but the boys' and girls' teams practice at the same time all season, so this won't cause a significant issue.

Playing 3 games during the first week of the state boys basketball tournament is difficult already and with any weather postponement like we had the last two tournaments, it has required schools to play back-to-back games. With this change the first-round games will be played on that Thursday and Friday and the next two weeks of the tournament will only require two games per week. The playing of 5 games in the current two-week span is not in the best interest of the student athletes and could be viewed as unsafe.

The second part of this proposal would be to have both the boys' and girls' state tournaments start on the Thursday proposed for the boys and not have the girls' tournament be spread out over 3 weeks. With the byes awarded in the girls' tournament, 7 of the 10 finalists only played 4 games in the tournament over the 3 weeks. The FCIAC girls' coaches are not in favor of the current format due to this issue. With both tournaments starting on that Thursday, there would be room to schedule the boys' and girls' games on different days if there are conflicts with the same school hosting early round games. Additionally, this change would benefit leagues in the state who would like to highlight their boys and girls league championship games at the same site on the same day.

The three other sports which currently start on the Thursday after Thanksgiving, (indoor track, boys swimming and gymnastics) do not have the same issues with head-to-head competition in their state tournaments, so they have not been included in this proposal. Wrestling and Boys' Ice Hockey already start on the Monday after Thanksgiving.

We appreciate your considering our proposal and if you would like further clarification on any aspect of it, please let us know.

Sincerely,
Dave Schulz; FCIAC Commissioner

ALERT PAGE

- **Player Technical Foul** – Beginning with the 2023-24 basketball season, a player that receives a technical foul will be directed to leave the game. The administration of this CIAC policy will be modeled after NFHS rule 3-3-4, which states in part that “...a player directed to leave the game shall not re-enter before the next opportunity to substitute after the clock has started properly following the player’s replacement.” In other words, a player that receives a technical foul must leave the game and cannot return until time has run off the clock. A coach will have the normal 15 seconds to replace the player who received the technical foul.

A few situations to consider:

- After a player is directed to leave the game for receiving a technical foul, a timeout does not nullify the penalty of “sitting a tick” for the player. The clock must start before the player can return.
 - If a player receives a technical foul during the dead ball period prior to or during the administration of free throws, the free throws do not nullify the penalty of “sitting a tick” for the player. The clock must start before the player can return.
 - If a player receives a technical foul after the expiration of time to end a quarter, half, or extra period, the dead ball period between the **end** of the quarter, half, or extra period and the **beginning** of the next quarter, half, or extra period does not nullify the penalty of “sitting a tick” for the player. The player may not start the next quarter or extra period because the clock must start before the player can return.
 - If a player receives a technical foul prior to or during the dead ball period that an injured player is being attended to, the time it takes for the injured player to be safely moved from the playing court does not nullify the penalty of “sitting a tick” for the player. The clock must start before the player can return.
- **35 Second Shot Clock** – BEGINNING WITH THE 2023-24 SEASON, THE USE OF A 35 SECOND SHOT CLOCK IN GIRLS AND BOYS BASKETBALL IS ONLY MANDATORY AT THE VARSITY LEVEL AND IS OPTIONAL AT THE JV AND FRESHMAN LEVELS. AN ADULT MUST RUN THE SHOT CLOCK AT THE VARSITY LEVEL BUT IS NOT MANDATORY FOR AN ADULT TO RUN THE SHOT CLOCK AT THE JV AND FRESHMAN LEVELS.
 - **Site for Girls and Boys Basketball Finals** -- The finals will be held at the Mohegan Sun Arena on Saturday, March 16 and Sunday, March 17, 2024. The schedule of games will be announced.
 - **Member schools must make every effort to complete their season as scheduled, including make-up games. Any effort to gain an advantage in tournament play by not playing a game is unacceptable and is subject to action by the CIAC Board of Control. Cancellation of any regular season contest / make-up to play in a league tournament will not be allowed.**
 - **In the interest of crowd control and proper supervision the CIAC Board of Control has approved the tournament regulation requiring the principal of the participating schools or his/her designee to attend all tournament games. The school administrator should identify him/herself to the site director.**
 - **NOTE:** The CIAC Boys and Girls Basketball Committees voted to adopt video replay for the FINAL GAMES OF THE TOURNAMENT ONLY and only in facilities that have official video equipment and replay capabilities. Video replay will only be used on the final shot of the quarter, half or end of the game when the official needs to confirm if the point was scored before time elapsed and/or if the point was a two or three point shot.
 - **The CIAC 2024 Boys Basketball Championships will be played using five (5) Divisions** – The Board of Control approved the committee placing schools in five divisions using a series of factors including enrollment, success in CIAC tournament play, strength of the league and power points for each team (determined by the sum of wins of defeated opponents – one point for each of their wins). All Division I schools will automatically qualify for the 2024 championships and Divisions II – V must win 40% of their games to qualify.

A school may “opt-up” to the Division I tournament for a one year period and must notify the CIAC by November 6, 2023. Divisions II, III, IV and V will not be rebalanced if schools opt to move up.

- **Tournament Site Selection** – THE CIAC BASKETBALL COMMITTEE AND TOURNAMENT DIRECTOR RESERVE THE RIGHT TO MOVE ANY GAME TO A NEUTRAL LARGER SITE FOR SAFETY REASONS AND TO ACCOMMODATE ALL SPECTATORS AND MEDIA WHO WISH TO ATTEND THE GAME.
- **Scrimmages** – Teams must have a minimum of three (3) days of practice prior to scheduling any interscholastic competition. All sports teams and individual athletes must have a minimum of ten (10) physical/exertional practice days with their school before the date of the first scheduled competition. No team/athlete shall practice/compete with their school more than six (6) consecutive days to provide a day of rest. Saturdays, Sundays, and holidays may be used unless prohibited by local board policy. Sunday practices may be counted to fulfill the 10 day requirement.
- **Reporting Regular Season Scores** – In order to ensure that standings and rankings on both the CIAC’s websites and other sites which draw their data from us are timely and accurate, all regular season scores must be entered online on the day of the game as soon as possible following the game’s completion.

Scores may be entered via the Online Eligibility Center, the “Submit Scores/Forms” option of the “CIAC for Coaches” menu at CIACsports.com, or the “Submit Scores” button in our CIACmobile.com mobile site. Entering scores at CIACsports.com or CIACmobile.com requires either a coach’s or scorekeeper’s access code, those codes are managed via the Online Eligibility Center and can be retrieved from a school’s athletic director.

- **Changes in game starting times** – **Both athletic directors must be in agreement with approval of tournament director.**
- **Students with Special Needs** – Coaches are reminded to inform contest officials prior to each competition of any student with special needs who could be competing in the contest when his/her disability could impact the individual’s performance or the conduct of the competition.
- **CIAC Tournament Site Media Policy** – The CIAC places tremendous value on the role the media plays in promoting and highlighting high school sports. To that purpose CIAC tournament venues and hosts should make every effort to provide a working environment conducive to all media (print, broadcast and internet based) covering our events. The following are **minimum standards**, developed in consultation with the CIAC Media Advisory Committee, which should be provided for working media at all CIAC tournament sites:
 1. A minimum of one hour following the conclusion of post-game interviews to write in the press box, press area or a suitable facility in close proximity to the site of the event (i.e. office, classroom, etc.)
 2. Access to electric power (shared power strip, etc.)
 3. Access to wireless internet service

Site directors should communicate these requirements to any staff person who may be responsible for the administration of the event. If for some reason a site will not be able to provide these items for a contest, a site representative should inform the CIAC in advance and work with the media on-site before the game and work to provide a reasonable solution to the issue. Members of the media who will be covering events are directed to contact the appropriate site as far in advance as possible to inform them they will be at the event and discuss what arrangements will be made for working media at the site.

- **Tie-Break Procedures** – Please see 9.1, as the procedures have been modified.

5.0 **FORFEITS**

- 5.1 Member schools will be required to submit regular season schedules for all sports controlled by CIAC in which member schools participate. Determination of forfeitures will be based on this schedule.

A forfeit game shall count as a victory for the team declared the winner and as a loss for the team declared a loser in determining tournament qualifications and ratings. For tournament qualifications only the following reasons for a forfeit shall be accepted.

- 5.2 A team shall forfeit a game or games if through a violation it is required to do so under the CIAC Rules of Eligibility.
- 5.3 A team shall forfeit a game if the game official declares the game a forfeit as a result of a National Federation rule violation, or a team refuses to play after being instructed to do so by the game official.
- 5.4 Forfeitures will be honored by CIAC sports committees when there is mutual agreement between the principals of the two schools involved in a game not played or terminated and the reasons for the forfeit have been approved by CIAC. If there is not mutual agreement and not playing the game impacts the tournament in any way, the CIAC sports committee Chair, in conjunction with CIAC staff and the tournament director will make the determination if the game should be forfeited.

When a game is being forfeited both schools involved must: (a) submit the forfeit form, which is found under the options for the sport in question in the CIAC Online Eligibility Center, within 72 hours of the scheduled time of the contest; and, (b) record the result of the game on their schedule as a win or loss (depending on if the school is giving or receiving the forfeit) with the word "Forfeit" entered in the field for the score of the game.

On the eve of a tournament when there is not sufficient time for normal administrative procedures (72 hours) if a question of team forfeiture arises the Executive Director or his/her designees, in consultation with the Chairman of the sports committee affected and the principals of the two schools will make an appropriate ad hoc decision in consideration of the best interests of the tournament as a whole.

- 5.5 All games listed on the original schedule and submitted to the CIAC which are not played and have not been forfeited in accordance with this policy will be considered by each sport committee as No Contest and shall not count for tournament qualification and ratings unless it affects the minimum number of games required to qualify for tournament participation. In this instance the sport committee shall review the evidence submitted by the teams involved and may grant an exception from the minimum game number requirement. The minimum winning percentage as determined by the individual sports committee must be met under all circumstances.
- 5.6 **Member schools must make every effort to complete their season as scheduled, including make-up games. Any effort to gain an advantage in tournament play by not playing a game is unacceptable and is subject to action by the CIAC Board of Control cancellation of any regular season contest / make-up to play in a league tournament will not be allowed.**

6.0 OFFICIALS

- 6.1 The game officials for all of the tournament games will be assigned by the CIAC. **OFFICIALS WILL BE PAID DIRECTLY BY THE CIAC OFFICE.**
- 6.2 Site directors should meet and greet officials and escort them to their private locker rooms and provide an escort to their cars when they are ready to leave.
- 6.3 **IDENTITY OF OFFICIALS ASSIGNED GAMES BY THE ASSISTANT TOURNAMENT DIRECTOR, WILL NOT BE DISCLOSED PRIOR TO THE GAME.**
- 6.4 **Official Timers and Scorers** shall be adults who have been trained to perform their respective duties. **The official scorer is required to wear a black and white vertically striped garment.**

The official timer should sit between the shot clock operator and the official scorebook.

7.0 **PROTESTS**

- 7.1 On the eve of a tournament when there is not sufficient time for normal administrative procedures and Board of Control hearings, if a question of interpretation of tournament regulations or the operation of the tournament arises, the Chairman of the CIAC Board of Control, the Executive Director of CIAC, and the Chairman of the Tournament Committee in question will make an appropriate ad hoc decision in consideration of the best interest of the tournament as a whole.
- 7.2 **Decisions by Game Officials** – Protests arising from the decisions, interpretations and misapplication of the National Federation or CIAC game rules by officials during the contest will not be considered. The decisions and interpretations of the rules by the officials are final.

The record of the official scorekeeper at the conclusion of the contest is final unless an error is discovered. Such error shall be corrected as covered by specific contest rules.

Any team leaving the contest area before the conclusion of the contest because of dissatisfaction with the officiating will render the school liable to disciplinary action by CIAC.

8.0 **QUALIFYING**

- 8.1 To be eligible for consideration in the tournament, a team must play a minimum of twelve (12) games AGAINST VARSITY OPPONENTS and have won 40%* of its approved scheduled games played. Only the first two games played with any single opponent shall be included in a team's final record.
- **All Division I teams qualify for the tournament. Division II, III, IV and V teams with a .400 or greater win percentage will qualify.**
- 8.2 Only games played with Conference member schools, American School for the Deaf, or out-of-state schools who are members of their state athletic association shall be considered.
- 8.3 Games played against non-member CIAC member schools or out-of-state schools who are not members of their state association will not count for tournament standings. However, those games **will** count toward the 20 game maximum limitation.

9.0 **RANKING WITHIN CLASSES**

- 9.1 Teams will be ranked within divisions by winning percentage (number of games won divided by the number of games played). When two or more teams have the same winning percentage, the following steps will be used to break the ties:
- 1) **Most wins** – Example: A 10-10 team would secure the higher ranking over a 9-9 team.
 - 2) **Power Rating** – Each school is assigned a power rating based on the records of the school(s) that they beat. Schools receive one point in their power rating for each win each of the opponents they have defeated has during the season. The total number of wins of all the opponents you defeat will be your power rating.

For example – If Team A wins 10 games during the season and those 10 opponents have 13, 12, 11, 10, 10, 7, 7, 7, 6 and 4 wins, Team A's power rating would be 87.

The team with the higher power rating will secure the higher ranking.

Notes:

- (1) If a school defeats a team twice, it will receive the number of wins that opponent has twice in its power rating.
- (2) The number of power rating points a CIAC member school will receive for defeating an out-of-state school, who is a member of their state association, is 10. In order to make the rankings on the website not appear skewed early in the season due to our new policy of giving 10 wins for power points purposes to all out-of-state teams, I have set it up so the rankings pages on the site will show the following in the power points total:
 - Two points for an out-of-state opponent beaten if viewing in December
 - Five points for an out-of-state opponent beaten if viewing in January
 - The full ten points for an out-of-state opponent beaten if viewing in February or March.
- 3) **By-lot Tiebreaker Number** – If a tie remains, the team securing the higher ranking will be determined electronically by lot using computer assigned random tiebreaker numbers to be set at the start of the season. The team with the greater tiebreaker number will secure the higher ranking.

9.2 **Pairings** – The pairings will be made as follows:

<u>First Round</u>	<u>Second Round</u>	<u>Quarter-finals</u>	<u>Semi-finals</u>	<u>Finals</u>
1 vs 32				
16 vs 17	1 vs 16			
8 vs 25		1 vs 8		
9 vs 24	8 vs 9		1 vs 4	
4 vs 29				
13 vs 20	4 vs 13			
5 vs 28		4 vs 5		
12 vs 21	5 vs 12			1 vs 2
2 vs 31				
15 vs 18	2 vs 15			
7 vs 26		2 vs 7		
10 vs 23	7 vs 10			
3 vs 30			2 vs 3	
14 vs 19	3 vs 14			
6 vs 27		3 vs 6		
11 vs 22	6 vs 11			

9.3 If fewer than 32 teams qualify, the higher ranked teams will draw byes for the first round.

9.4 If more than 32 teams qualify, the qualifying pairings shall be as follows:

<u>If 33 teams</u>	<u>If 34 teams</u>	<u>If 35 teams</u>	<u>If 36 teams</u>
32 vs 33	32 vs 33	32 vs 33	32 vs 33
	31 vs 34	31 vs 34	31 vs 34
		30 vs 35	30 vs 35
			29 vs 36

9.5 A TEAM MAINTAINS ITS INITIAL PERCENTAGE RANKING THROUGHOUT THE TOURNAMENT.

9.6 *Final ranking and pairing information will be distributed to coaches on the CIAC web site by Wednesday, February 28, 2024 by 2:00 p.m.*

- 9.7 **League Playoffs** – League playoff games **SHALL NOT BE COUNTED** for tournament qualification or rating.

10.0 **SUPERVISION / SPORTSMANSHIP**

- 10.1 Players and coaches disqualified in a game will be required to serve the additional penalty as outlined in the CIAC regulation on “Disqualification.”
- 10.2 In the interest of crowd control and proper supervision the CIAC Board of Control has approved the tournament regulation requiring the principal of the participating schools or his/her designee to attend all tournament games. The school administrator should identify him/herself to the site director.
- 10.3 When a member school’s coach is ejected from a game for an infraction as prescribed by the rules, the game may not continue until the member school replaces the ejected coach with a certified coach. If this cannot be accomplished within 15 minutes after the ejection, the official in charge will declare a forfeit win for the opposing team.
- 10.4 Use of tobacco and vaping products or possession of alcoholic beverages of any kind, including champagne, are not permitted in the gymnasium. The principal or his/her designee at the game shall see that this rule is enforced and adhered to by the teams.

10.5 **Bench and Field Conduct**

Personnel – A maximum of 20 personnel, including up to 15 players, coaches, managers, statisticians, medical personnel, etc., will be permitted free onto the site. Only players, coaches, managers, trainers, and statisticians will be permitted on the bench area.

Conduct – The above identified personnel shall not be outside the vicinity of the designated bench area. The coaches box must be marked as required by the rules.

- 10.6 **Conduct and Good Sportsmanship** – We require that all school personnel – administrators, faculty, and coaches – give special and specific emphasis about CIAC’s expectations for good sportsmanship during the basketball tournament requiring that athletes and members of the student body conduct themselves in a manner that reflects nothing but credit upon your school. Any unsportsmanlike conduct on the part of students and adults is unacceptable and will be addressed with strong and appropriate measures. The CIAC is the guests of the site school or private facility and as guests, we shall act in full accord with our principles of sportsmanship.
- 10.7 **Player Technical Foul** – Beginning with the 2023-24 basketball season, a player that receives a technical foul will be directed to leave the game. The administration of this CIAC policy will be modeled after NFHS rule 3-3-4, which states in part that “...a player directed to leave the game shall not re-enter before the next opportunity to substitute after the clock has started properly following the player’s replacement.” In other words, a player that receives a technical foul must leave the game and cannot return until time has run off the clock. A coach will have the normal 15 seconds to replace the player who received the technical foul.

A few situations to consider:

- After a player is directed to leave the game for receiving a technical foul, a timeout does not nullify the penalty of “sitting a tick” for the player. The clock must start before the player can return.
- If a player receives a technical foul during the dead ball period prior to or during the administration of free throws, the free throws do not nullify the penalty of “sitting a tick” for the player. The clock must start before the player can return.

- If a player receives a technical after the expiration of time to end a quarter, half, or extra period, the dead ball period between the **end** of the quarter, half, or extra period and the **beginning** of the next quarter, half, or extra period does not nullify the penalty of “sitting a tick” for the player. The player may not start the next quarter or extra period because the clock must start before the player can return.
- If a player receives a technical foul prior to or during the dead ball period that an injured player is being attended to, the time it takes for the injured player to be safely moved from the playing court does not nullify the penalty of “sitting a tick” for the player. The clock must start before the player can return.

10.8 **SPORTSMANSHIP** -- Member schools are expected to conduct their relations with each other at all levels of competition in a spirit of good sportsmanship. The school administration is responsible for the athletic program, including the policies and procedures relating to sportsmanship and the conduct of activities in the school. The CIAC “Class Act” standards will be used in all CIAC contests. The CIAC Standards for Sportsmanship as defined in the Class Act program are found at http://ciacsports.com/site/?page_id=10438.

11.0 **TOURNAMENT RULES / PROCEDURES**

- 11.1 **Rules** – Rules – All contests shall be governed by CIAC and National Federation Rules.
- 11.2 **Uniforms** – The higher seeded team will wear the white jerseys and have the choice of team bench and for this purpose the original rating assigned to a team will be maintained throughout the tournament.
- 11.3 **Ball** -- Each school will bring a **SPALDING TF 1000 LEGACY** game ball in good condition. Teams should provide their own for pre-game warm-up.
- 11.4 **Bands** – Bands, dance teams and similar organizations may perform at the semi-finals and finals with prior permission from the tournament director.
- 11.5 **Cheerleaders** – Cheerleaders of participating schools, if supervised, will be admitted free to tournament games in which their school team participates. Each school will be allowed **UP TO 20 cheerleaders in uniform**.
- 11.6 **Crowd Control** – The CIAC Regulations for Insuring Maximum Crowd Control apply to the boys basketball tournament.
- 11.7 **Late Entry Policy**
- No tournament entries will be accepted after the established deadline except those approved by the CIAC Board of Control.
 - Corrections requested by a school to an entry form that was submitted by the established deadline but prior to seeding/pairing data being published on the web site, will be assessed a fee of \$50 per correction to a maximum of \$250.
 - All requests for corrections must be submitted on a support ticket via the online eligibility center.
- 11.8 **Tournament Regulations Violations**
If a school fails to comply with tournament regulations and such requires the CIAC tournament sports committee, central office staff, or the CIAC Board of Control to redo any portion of the tournament pairings or such non-compliance adversely impacts the management of the tournament, an administrative violation fee of \$500 will be imposed upon the school before entry into the tournament will be allowed.
- 11.9 **Towels** – Shall be furnished by the participating teams.

11.10 **Solicitation of Funds / Selling T-shirts, etc.** – Solicitation of funds or selling merchandise for any purpose at any of the tournament games is prohibited unless permission to do so is given by CIAC. (Marketing Special Promotions has a contract with and thereby authorized by CIAC to sell T-shirts and other merchandise at the basketball championship games.) Food, candy and beverages may be sold by the site schools.

11.11 **Movies, Video Tape** – Prior permission of the site director must be obtained if video tape and/or movie equipment is to be used during tournament games. The use of this equipment is limited to participating schools and is only for post-game use of the teams involved. No commercial use of these tapes or films is permitted.

It is considered to be unethical for an athletic department to video an opponent without their knowledge and approval.

All non-commercial videotaping at tournament sites must not create a safety hazard, or obstruct a view.

11.12 **Half-time** – For the FINAL GAME ONLY – the half-time will be decided according to the schedule. We hope to provide a 12-15 minute half-time.

11.13 **Start Time** – Teams may request an earlier start time. However, such request should be made through the Tournament Director no later than Noon the day before the scheduled game. If agreed upon, both schools must accept in Arbiter the change so all officials can be notified of the time change.

11.14 **Awards Ceremony** – IMMEDIATELY upon the conclusion of all **FINALS** games, the participating teams will line up in front of the scorer's table and shake hands.

- As soon as the teams have completed the handshakes, the awards ceremony will begin with the presentation of medals to the players and coaches of the runner-up team.
- **When your name is announced, please come forward to receive your medal from a member of the CIAC Basketball Committee.**
- This will be followed with the presentation of the team plaque to the head coach and captains of the runner-up team.
- The runner-up team shall remain on the court as the winning team is presented individual medals and the championship plaque following the same procedure.
- Once the awards ceremony concludes, teams will vacate the floor so that teams scheduled to play in the next game may enter the court area to begin warming up.

Home Sites – Qualifications and Neutral Sites Criteria

The home site qualification form and neutral sites criteria must be submitted via the password-protected online eligibility center by January 23, 2024. If athletic directors have questions – please contact Dave Schulz at (203) 650-5765.

FAILURE TO SUBMIT THIS FORM MAY COST YOU A FIRST ROUND, SECOND ROUND OR QUARTER-FINAL GAME.

The CIAC reserves the right to move any game to a neutral larger site for safety reasons and to allow all spectators to see the game.

APPENDIX C

SELECTION METHOD FOR CIAC BASKETBALL OFFICIALS

1. A master list of the most qualified varsity officials in Connecticut is established. Based upon the number of schools participating in the sport of basketball, the Assistant Tournament Director will determine the total number of officials making up this master list which must be sufficient to accommodate the number of games scheduled for any one night.
2. The number of varsity officials selected from each board is based on the percentage of schools each board serves, relative to the total number of CIAC schools participating in basketball and the total number of officials making up the master list.
3. Each of the six (6) IAABO boards will communicate to the CIAC online its master list of tournament officials prior to February 9, 2024.
4. The master list of tournament officials is prepared and presented to head coaches on the CIAC website by February 14, 2024.
5. Between February 15, 2024, and February 23, 2024 each CIAC school shall review the master list of eligible / qualified officials and – identify up to ten (10) officials they prefer from the combined lists to officiate the CIAC tournament and up to two (2) officials they do not want to be assigned from the combined lists to their tournament game(s).
6. “Crews” of officials will be selected from within each board. In assigning officials for all tournament games the Assistant Tournament Director will normally select from a “neutral board” when competing teams come from **different board representation**. If both competing teams are from the **same board**, officials from that board **may be assigned**. The Assistant Tournament Director retains the authority to assign from any board in the event of extenuating circumstances.
7. In accordance with action taken by the boys basketball committee, three (3) officials will be assigned to the quarter-finals, semi-finals and finals of all boys basketball games. **At the discretion of the assistant tournament director, three person officiating crews may be used at any point in the tournament.**
8. Semi-final victors will be allowed **one additional scratch of an official** from the tournament list of officials.

APPENDIX F

CIAC 2023-24 BOYS BASKETBALL TOURNAMENT Memorandum to All Site Directors and Competing Schools

The Connecticut Interscholastic Athletic Conference appreciates the use of your facilities and the following is offered with the idea of assisting those who have been designated as Site Directors. The close observance of these suggestions will make for a smooth-running tournament and will bring satisfaction and enjoyment to all.

The Site Director – In order to operate one of its most important programs the CIAC has selected competent school personnel to take complete charge of the games in the basketball tournament. The site director is entirely responsible for the particular game assigned to his/her school; he/she is the direct representative of the organization and, more specifically, of the Basketball Committee and the Tournament Director. While the site director obviously cannot do all the work him/herself, it is his/her responsibility to engage such competent personnel as may be needed to see that the program is conducted successfully. However, site directors are requested to be realistic regarding the hiring of personnel. Site directors will have to use their best judgment depending on anticipated attendance. Only adults should be assigned to the positions of timer and scorer, and the scorer must be reminded to get from each team the name and number of each squad member as well as the five starting players. It is most advisable to have a hand operated clock(s) on hand and expert scorers in the event that the electrical clock and/or scoreboard become inoperative. Serious violations of CIAC policy or worthwhile recommendations on the part of participating schools should be reported in writing to the Tournament Director immediately after the game. **ALL EXPENSES WILL BE PAID DIRECTLY FROM CIAC OFFICE.** Remind officials that they have complete charge of the actual playing of the game. **RETURN FINANCIAL REPORT TO CIAC OFFICE AS SOON AS POSSIBLE AFTER GAME IS PLAYED.**

Telephone or Text Scores of Games Immediately – Every site director knows full well that in order to operate a successful tournament, things should move smoothly and rapidly. This is particularly true when it comes to making pairings and selecting sites for the next game, and as a consequence we must know as soon as possible the results of all games – which team won, and the score. We are, therefore, asking each site director to TELEPHONE or TEXT the results of each game immediately at the conclusion of the contest. This is a very important responsibility and we ask your full cooperation. Tournament Director – Dave Schulz – telephone (203) 650-5765.

Opening Ceremony

1. Arrange for playing the National Anthem before the start of each game.
2. Draft a short memo to be read to the spectators before each game which will include: Important crowd control regulations such as prohibition of horns, whistles, etc., as well as the encouragement of good sportsmanship.

Supervision of Locker Rooms – Provide for supervision in each team's locker room before, during and after the game in order to prevent vandalism of facilities or theft of personal property.

Officials – The game officials will be assigned by the CIAC, and they will take complete charge of the actual playing of the game itself. Officials should be met at the door, escorted to their locker rooms before and at the conclusion of the game, and escorted to their cars when they are ready to leave. Officials will be paid directly by CIAC. All other operational details are the responsibility of the site directors. Please provide parking for officials close to the entrance of the gym.

Press – Adequate publicity and favorable public relations are necessary in the operation of any tournament, and in this connection the CIAC appreciates the work and contribution of a fine group of people who bring accounts of our individual games to the public. Consequently, we are asking our site directors to see that newspaper writers and radio sportscasters are treated courteously and supplied with as good accommodations as are possible consistent with the facilities available. Members of the press will, upon proper identification, be admitted to any game. Newspaper reporters who are actually

covering the game should be provided a seat at a table in the press box or “on the floor,” or at least where spectators will not be jumping up and down, blocking their view.

Stringers – Some large newspapers which cover many regional games in one evening send out part-time reporters (stringers) who do not carry press passes. The newspaper, through the head of the sports department, should notify the site director the afternoon of the game that one of these “stringers” will be at the game that evening. When he has properly identified him/herself, admit him/her and provide a place at the press table. If he brings a guest, assign this person to a seat in the stands. Do not accept for admission white tickets which merely indicate that the holder is a member of the Sports Writers Alliance.
