

We take part in high school sports for all sorts of reasons. The pride of representing our school. The camaraderie that comes from being on a team with friends. Learning from both success and failure. Being challenged, and trying to overcome those challenges. That's all part of what we deal with on the field. With all of that, we really shouldn't have to worry about what is happening in the stands.

But unfortunately, the behavior of some fans is making it harder to for us enjoy the experience on the field. When fans act inappropriately towards the other team or officials, or embarrass our team with your behavior, you make the challenge of high school sports even harder. Wouldn't it be easier to just support everyone in a positive way??

Getting the chance to be a part of the high school sports allows us to make memories and earn rewards that will last a lifetime. We are asking all the fans, please – let us enjoy the experience.
