Demonstrating Skills in the Humanities

Transferable Skill	I Can...	Demonstration of Skill	Teacher Feedback
Gathering Evidence	<input type="checkbox"/> Read a variety of texts (including nonfiction) and explain key ideas and inferences	1.	
	<input type="checkbox"/> Perform research to gain information from multiple sources (including illustrations, video clips, maps, charts, interviews, and graphs) to build knowledge	2.	
	<input type="checkbox"/> Build vocabulary around a topic	3.	
	<input type="checkbox"/> Create an annotated bibliography to demonstrate accountability for reading and research completed (project dependent)	4.	
Reasoning	<input type="checkbox"/> Evaluate sources and their credibility	5.	
	<input type="checkbox"/> Plan and describe possible individual and group action to address a local, regional, and global problem. Reflect on personal point of view and role.	6.	

	<input type="checkbox"/> Apply thoughtful and inclusive strategies to make decisions and take action in classrooms, schools, or an out-of-school civic context.	7.	
Communicating	<input type="checkbox"/> Participate in evidence-based conversations. Be an active-listener. Advocate for equity of voice and display empathy	8.	
	<input type="checkbox"/> Engage in verbal and written discourse based upon research-refining claims and counterclaims and identifying strengths and limitations of both sides as appropriate	9.	
	<input type="checkbox"/> Create evidence-based pieces which show an understanding of perspective and emotions of others as well as self-exploration and reflection	10.
