**Tomorrow’s Leaders: High School Athletics and Activities Participants**

Incredible attention is being paid to high school athletics and activities programs today. Participants in these programs are looked up to as leaders because of their position on the team or club. The impact that these young people have on the climate and culture of their schools, fellow students and community is incredible. In fact, studies show that more than one-half of high school students participate in some form of school activity or athletic program. The involvement of these students in the success of a high school is paramount and critical.

The New England state associations of the National Federation of State High School Associations (NFHS) want to be the leaders in training talented, committed young people to become better citizens who will be positive, contributing adults and role models for youth. We are pleased to announce that in partnership, the state associations from Connecticut, Maine, Massachusetts, New Hampshire, Rhode Island and Vermont will be hosting the third annual New England Student Leadership Conference from July 16-19, 2013 at Stonehill College in Easton, MA. This conference is a four-day, residential event for over 300 student and adult leaders who participate in interscholastic athletic and activity programs through their state high school athletic/activities associations.

The conference is modeled after the NFHS National Student Leadership Conference that took place in Indianapolis, IN for over a decade. The NFHS event was the only national student leadership conference of its kind for high school athletes and activity participants. The goal of the NFHS event was to assist high school student-athletes and activity participants in developing their leadership abilities while interacting with peers from across the United States and Canada. This conference will replicate the training curriculum for student-athletes and activity participants from across New England.

**Conference Curriculum**

The curriculum for the conference will focus on Respect, Positive Values, Perspective, Sportsmanship, Teamwork, Healthy Lifestyles, Community Service and Self-Evaluation. These components will be presented in large and small-group sessions, led by outstanding adult and college facilitators specifically chosen for their involvement in athletics at the high school and collegiate level, and will address contemporary issues that impact a young person being a leader and role model. In addition to group discussion, special guest speakers will share inspirational messages, stories of overcoming adversity and utilizing the power of positive influence. Delegates will be able to choose from a menu of elective topic sessions including: sportsmanship, wellness, leadership, community service and the college admissions process. The conference will also incorporate a community service project as part of the leadership training curriculum that will take place in local communities.

**Supervision**

In addition to the 30 college and adult curriculum facilitators, approximately 30 adult delegates will serve as advisors and chaperones as they oversee the student delegates from their respective states. These adults will take an active part in the discussions and curriculum of the conference. The adult delegates and adult staff members will be available to help the students with any questions or concerns they might have during the four-day event. A conference nurse will be on site throughout the week for any medical issues. In addition, Stonehill College Public Safety and staff will be available 24 hours a day on campus for any safety and security needs.

**Attire**

The conference takes place in a relaxed atmosphere to encourage learning and facilitate interaction. The high temperatures and humid weather during the mid-summer dictate casual clothing for this event. Jeans, shorts, sneakers and t-shirts are appropriate for the majority of the conference functions. Participants will be provided with three t-shirts during registration that are intended to be worn on specific days of the conference. Participants are encouraged to bring a set of clothing/footwear that they will not mind getting dirty as a community service project will take place on Wednesday morning. Please do not bring any questionable or offensive attire. For further information, please see the recommended packing list on page 7.
Housing
Delegates will be housed in traditional college dormitories. Each room will accommodate 2-4 delegates. There will be bathrooms and showers on each floor. Bed linens (sheets and blanket) and towels will be provided for each participant. However, participants are encouraged to bring their own pillow as this item will not be provided. Delegates are to sleep in rooms to which they have been assigned. Visiting a room assigned to the opposite sex is not permitted. Delegates must submit a separate check made payable to “Stonehill College” in the amount of $60 as a dorm key/card deposit. When the room key/card is returned at the end of the conference, the check will be returned to the delegate. In the event that a delegate loses a room key/card, the check will be deposited by Stonehill College. The sponsoring state associations and Stonehill College are not responsible for key/cards lost or misplaced for any reason.

Meals
Meals will be provided by the college food service in the college dining hall. All meals will be provided beginning with dinner on Tuesday, July 16 and ending with lunch on Friday, July 19. Students who have food allergies or special dietary needs are asked to indicate such information on the Student Health History Form (page 9). Some dorms have vending machines that can be utilized for snacks during the week. A snack bar will also be available in the main conference registration area during regular conference hours. Students are encouraged to bring small amounts of money for vending machines and the snack bar in addition to their own snacks/bottled drinks if necessary.

Code of Conduct/Conference Policies
Student participants are expected to act in a responsible manner that will reflect well on themselves, their schools, their state associations and the New England Student Leadership Conference. Students are expected to respect each other and themselves while following the rules of the conference. The use of alcohol, tobacco and drugs is strictly prohibited. In addition, students are expected to observe the established conference and Stonehill College campus curfews each night, sleep in their assigned rooms and not visit housing areas of the opposite gender. Students are not permitted to leave the college campus. Students who violate any of the conference policies will be asked to leave at their own expense without a refund (please see page 11).

Transportation
Students are not permitted to drive to the conference or leave cars on the Stonehill College campus. Participants from Massachusetts should make arrangements to be dropped off at the event registration area between 1:00-3:00 pm on July 16. Participants travelling from outside Massachusetts will be contacted by their local state associations regarding travel arrangements.
